BRONZE AWARD

VISION

To become an ASEAN Premier State University in 2025.

MISSION

The Pangasinan State University, through instruction, research, extension, and production, commits to develop highly principled, morally upright, innovative and globally competent individuals capable of meeting the needs of industry, public service and civil society.

GUIDING PHILOSOPHY

The Pangasinan State University's leadership adheres to develop the Filipino educational philosophy that education is geared towards better citizenship and livelihood and the United Nation's declaration that EDUCATION IS FOR ALL giving ACCESS to quality education.

FOREWORD

The pursuit for excellence of Pangasinan State University in public service delivery is evident in all facets.

As a publicly funded higher educational institution, it has fulfilled its mandate and achieved its targets in all approved and concomitant performance indicators. Through the solidarity of each PSUnian, the University continues to provide quality education and ensures that the country's future workforce possesses the required knowledge and competencies.

For 2021, it has continually shown distinctive competence in instruction, research, extension and production while further reinforcing its quality assurance mechanisms and people centered initiatives.

With these said, may we remain humble with our accomplishments and be guided with the spirit of the lion in facing new endeavors and challenges.

Let us always be reminded that in our pursuit for excellence, may we never forget that honor always precedes quality. May we always be guided by a common goal to be of service not only to PSU, but to our beloved Province and the nation as well.

DR. DEXTER R. BUTED
University President

Through the years, PSU has yielded toppers and professionals who do not only establish sterling names for themselves, but bring great honor to the University, the Region, and the country.

TWG ENHANCES FLEXIBLE LEARNING GUIDELINES

The Office of the Vice President for Academic Affairs and Support Services led by Dr. Manolito Manuel called a meeting with the selected university officials on the revision of guidelines on flexible learning implementation for the 2nd semester of A.Y. 2020-2021. The flexible learning guidelines that were enhanced are as follows (1) Distribution and utilization of printed learning materials and submission of requirements; (2) Grading System; (3) Monitoring of online classes; (4) Monitoring of modular classes; and (5) Study guide validation.

Agenda include the academic activities for the incoming semester, strategies for the blended and online modalities, updated graded system and availing of student support services.

Meeting was presided by Dr. Razeale Resultay, Director for Curriculum and Instruction at the Accreditation Room, PSU Lingayen on Monday (February 1, 2021).

7TH GAWAD PARANGAL SA NATATANGING MAG-AARAL

In its seventh year, Pangasinan State University bestowed its most prestigious award for outstanding students, the Gawad Parangal 2021, with the theme, “Pagsusumikap sa Gitna ng Panibagong Hinaharap”, December 10, 2021 at the Dr. Telesforo N. Boquiren Convention Hall and was streamed live via Facebook.

Taking pride in its time-enduring legacy—the students, Pangasinan State University honors exemplary students who epitomized admirable qualities of a true-blooded PSUnian—excellence in academics and notable contribution in school engagement, community development, and nation-building.

Reymark Galsim now joins the previous Gawad Parangal awardees: Menard Nava (2015), Mark Marlon de Vera (2016), Mohammed Ardaniel Swandi (2017), Patrice Flores (2018), Adrian Veloso (2019), and John Joseph Zarate (2020).

PSU-Bayambang's Galsim hailed 2021 Pinakanatatanging Mag-aaral

Rising from the grueling screening process and claiming the coveted title for the third consecutive year for PSU-Bayambang Campus was Reymark M. Galsim, a fourth-year Bachelor of Science in Business Administration student.

In his message, Galsim shared his journey in reaching his dreams with all the hard truths and debacles of life he braved upon fulfilling his studies.

“Upang simulan ang unang hakbang sa pag-abot ng aking pangarap, ako ay nag-aral mabuti. Naranasan kong madapa, ngunit sa kabila nito, ako ay nanatiling matatag, hindi ako sumuko at hindi ako nagpatalo,” he said.

Galsim, a breadwinner, urged his fellow students to endure and learn from the challenges they face, “Sa bawat pagsubok na dumarating sa ating buhay, kapulutan po natin ito ng aral, at ang bawat karanasan na idudulot nito ay magpapalawig sa ating kaalaman upang matuklasan natin ang tunay na mithiin at layunin natin sa buhay.”

In a deeply felt parting shot, Galsim offered his victory to the other awardees and students who brawl on their uphill battles and reminded them to cling to their goals and believe in the power of their dreams.

He also expressed boundless gratitude to everyone who lent a hand and stood behind his back throughout—his family, confidants, teachers, and campus community.

The roster of equally commendable students across the nine (9) campuses constituted: Rosemarie c. Caranay (Alaminos City Campus), Christine Joy D. Carrera (Binmaley Campus), Je-Ann Z. De Vera (Lingayen Campus), Roel G. Agonias (Sta. Maria Campus), Bill Kimpert Pacleb (Urdaneta Campus), and awarded “Natatanging Mag-aaral” Ronald Macaraeg (San Carlos City Campus) and Melissa C. Castillo (Asingan Campus).

Serving a paramount purpose, the “Pinakanatatanging Mag-aaral” personifies the Golden Lion Spirit of determination and courage despite all odds and uncertainties and stands as a symbol of inspiration to the PSUian community.

PSU Student Leaders Attend 4th International Scholars Convention and International Young Leaders Congress

The Supreme Student Council Presidents of Pangasinan State University's nine campuses attended the 4th International Scholars Convention and International Young Leaders Congress, which was held on November 25-27, 2021 via Zoom. with the theme "Promoting the Values of Diplomacy, Leadership, and Resiliency towards Global Partnership and Sustainable Development."

113 universities from all across the world attended the conference. The cultural presentation, which highlighted the diversity of cultures among the participating nations, was the highlight of the event. Indeed, it was an excellent three-day webinar with several points, but the focus was primarily on attaining the common aim of promoting values diplomacy, leadership, and resiliency.

They also discuss developing Generation Z's 21st-century skillset as well as resilient leadership and communication strategies in times of adversity. The student leaders were best prepared to fulfill their duties and responsibilities to their co-students and the university as a result of this conference.

APSSA x PAPSAS International Conference 2021

PSU Student Affairs and Services (SAS) Coordinators from nine campuses attended the 3-day International Conference in the spirit of collaboration in the Asia Pacific Region on November 18-20, 2021

The Asia Pacific Student Services Association (APSSA) and the Philippine Association of Practitioners of Student Affairs and Services (PASPAS), Inc. hosted the 17th APSSA International Conference, which coincided with the 26th PASPAS National Convention and the 13th Interactive Youth Forum, virtually via zoom. The theme was "Student Affairs and Services Forging Ahead: Virtual, Virtuous, and Victorious."

906 delegates attended the conference and was welcomed Ms. Angela Pok, APSSA President and Dr. Leandro Loyola, PASPAS, Inc. Following that, the Keynote Speaker, Dr. Jonathan Munro, spoke about the theme of proactive service delivery by student affairs despite severe constraints. The Digital Natives: Leading and Thriving in the New Normal was discussed by Atty. Myrish Cadapan Antonio.

Ms. Lisa Chiang, Dr. Shiokawa Masami, Mr. Rodolfo Virtus, and Dr. Yee Han Kuan were among the speakers on a panel on Championing Students Welfare and Development Towards a Stable Student Affairs and Services.

The deliberation of group outputs and sharing of SAS Coordinators' learning experiences of the virtual delivery of SAS took place on the final day of the three-day conference.

With this conference, Student Service Coordinators of PSU are now more equipped to carry out their duties and responsibilities to the students and to the institution.

Future Educators Brace for Practice Teaching

Geared towards gaining fundamental knowledge and skills in the new normal of education, a University-Wide 10-day Webinar-Workshop on the use of different learning modalities for practice teaching was conducted on February 22 – March 4, 2021 via zoom.

Spearheaded by Prof. Mitzy M. Macaraeg, Head for Practice Teaching and Review Center and other Campus Officials, the said webinar-workshop series aims to equip practice teachers before they set off with their actual teaching at the PSU Integrated Schools.

The said event commenced on February 22 with the election of officers of the Integrated Student-Teachers Organization, and immediately followed by a webinar-workshop on the use of various Learning Management Systems (LMS) with focus in Google Suite (GSuite).

Throughout the webinar series, practice teachers will explore the integral components of practice teaching suited for online instruction. Among its salient features constitute: the use of multiple online modalities for both synchronous (navigation of Google Meet and Zoom) and asynchronous (navigation of GSuite); Phases of Practice Teaching; Online Netiquettes; Methods and Strategies in Online Teaching; Development of Online Assessment and use of IS utilized apps; Multiple intelligences & Holistic Development of Learners; Lesson planning integrating MI; The 7E Model in Designing Lesson Plan; Classroom-based Action Research; Accomplishing School Forms; Building ePortfolio; Discussion on Most Essential Learning Competencies (MELCs) for elementary and Junior High School; Alignment of MELCs to the prepared LP.

Topics for the webinar series were thoroughly selected to comprehensively address the needed competencies and prevailing concerns of practice teachers.

Student Achievement and Participation in Academic and Non-Academic Learning Opportunities

On March 05, 2021, five students of PSU-Urdaneta won the second place on the Stanford IT Learning' Software Solution Category of the Synergy: Electrical and Electronics Engineering Summit:

- Justine Ramos (BSEE V);
- Michael Sabado (BSIT III);
- Reymart De Chavez (BSIT III);
- Danilo Madriaga, Jr. (BSEE 1); and
- Patricia Joy Madayag (BSEE 1)

On March 5, 2021, Jessadine R. Baluyot, a 2nd year Civil Engineering student of Pangasinan State University Urdaneta City Campus, bagged the 5th place award in Science & Technology Writing during the Sandugo Online Press Conference 2020.

On March 15, 2021, Justine Ramos of PSU-Urdaneta Campus emerged as the Champion (out of 102 participants) during the AutoMATHic2021.

- AutoMATHic is an intercollegiate Engineering Mathematics quiz contest hosted by the University of the Philippines Civil Engineering Society (UPCES) in collaboration with the UPLB Mathematics Division of the Institute of Mathematical Sciences and Physics (IMSP).

On May 20, 2021, Jerico Navasca, a student of PSU-Urdaneta Campus placed 1st in the On-the-Spot Poster Making Contest during the 1st National Higher Education Day and 27th Commission on Higher Education Anniversary PSU University wide. Mr. Navasca is a first year Electrical Engineering Student.

On May 22, 2021, the first Champion for #iTamInhinHENYO: General Engineering Quiz Bee of FEU comes from PSU-Urdaneta.

Winners from the 8th National Virtual Technofest 2021.

- Champion: Mansour P. Aguas (BSCE)

PSU-URDANETA CITY CAMPUS (Electrical Engineering Team)

REIGNS IN THE 16TH REGIONAL STUDENT CONFERENCE

After a long day of brewing glory in the battle of wits and ability among colleges and universities across the regions, the triumphant PSU - Department of Electrical Engineering team guided by their teams coaches Engr. Rodel P. Hacla and Engr. Harry Alan P. Errasquin proved its prowess and dedication in the academic arena who clinched the **CHAMPIONSHIP TITLE** in the recently held **34th Regional Quiz Show** and **FIRST RUNNER-UP** in the **20th Regional Math Wizard** during the **16th Regional Student Conference** — two of the most featured activities in this long-held tradition.

Further, Pangasinan State University - Urданeta City Campus is covered under the Institute of Integrated Electrical Engineers Region 2 - Central Luzon Region. The academic competition has allotted three rounds: easy, average, and difficult round. The platform used in answering is Quizizz, whereas the time grant for each team varies depending on the difficulty level. Best wishes as you unleash your potentials and leave a trail for people to tread — go forth, conquer, and give it your best shot as you have secured a spot in the **National level**.

Internship Planning cum Implementation Plan

Partnerships between higher education institutions (HEIs) and firms mediated by students' curricular internships allow increased mutual benefits in the form of the exchange of knowledge and innovation.

It is for this reason that Dr. Manolito C. Manuel, Vice President for Academic Affairs and Support Services and Dr. Reynaldo T. Gelido, Head of Internship and Employment Services facilitated a meeting together with all Campus Executive Directors, Internship Coordinators, Program Specialization Advisers and Internship Instructors on February 2, 2021, 1PM at Jose De Venecia Building, PSU Main, Lingayen, Pangasinan.

During the said meeting, the office of the VPAASS invited all Campus Executive Directors to send the identified presentors for the Internship Program Implementation Plan. Different presentors from various campuses

gathered to convey the plans for their respective programs which includes onsite and home-based activities. The implementation of the said

Internship plans will be subjected to CHED's approval.

In addition, during the said meeting, the Internship Coordinators along with the specialization advisers identified the number of students and offices where the students will be deployed in their respective campuses.

Despite the threshold of the COVID-19 pandemic, Pangasinan State University as guided by the guidelines from the Inter Agency Task Force (IATF) commits to ensure that the interns successfully gain real-world experience that can be applied to their real jobs.

'No voice is too little or too big in this University' says DRB

The purpose of the very first student virtual forum with the theme, "Better Together" on February 24, 2020 via zoom is to gather feedback regarding the conduct of flexible learning and other services like e-library, online payment and grading system, ICT Konek and distribution of free tablets and SIM cards with load.

The University officials believe that "Better Together" approach will signify the role of students and other stakeholders in various processes which could lead to the enhancement of existing policies and creation of new mechanisms. In addition, Prof. Celeste T. Mercado in her opening remarks magnified that, "the ripple of voices coming from our students will certainly create a wave of change for a better PSU."

Dr. Dexter R. Buted emphasized in his message that no voice is too little or too big in this University. "Sa pagsasatupad ng 'Better Together" na adhikain, malalaman namin mula sa inyo aming minamahal na mag-aaral kung paano kami makakapaghatid ng mas dekalidad na serbisyo. Tunay na mas makabuluhan ang bawat hakbangin kung tayo ay magkasama sa landas ng pagbabago at kaunlaran," added Pres. Buted.

Gathered on the said forum were the University Officials, SSC Coordinators, teachers, student leaders and other concerned stakeholders. Students were given the opportunity to express their concerns and queries. Likewise, the administration conscientiously took into account the gathered information during the said forum and all feedback will be submitted to OVPAASS, Office of the University President and other concerned offices for immediate action. Ms. Jeann Z. De Vera, the FSG President/Student Regent served as the moderator.

New FSG Officers Inaugurated, Madarang is President

After a vigorous screening and election, the Electoral Tribunal released the roster of newly-elected officers of the Federated Student Government for S.Y. 2021-2022, where Christian Madarang of PSU Infanta won the 54-33-1 presidential race. Following that, Dr. Dexter R. Buted, University President, presided over the oath-taking ceremony.

The electoral was composed of ninety (90) members—ten (10) representatives, from the nine (9) satellite campuses of Pangasinan State University. These appointed/elected representatives were also newly-seated officers of their respective campus' Supreme Student Council.

The Students and Alumni Affairs Office (SAAO), led by Prof. Celeste Mercado in collaboration with the Electoral Tribunal (ET), organized the day-long historical event at the Dr. Telesforo Boquiren Convention Hall on November 11, 2021

PSU GRANTS TABLETS TO SELECT PSUNIANS

Select students from the nine (9) campuses of PSU received free tablets from the PSU Administration under the leadership of Dr. Dexter Buted, University President as well as Hon. Je-Ann De Vera, PSU Student Regent, provided the free sim for the tablet.

The initiative of providing free tablets to the needy students of PSU is in response to the university's adaptation of flexible learning mode due to the pandemic.

The recipients were chosen based from the required documents they have submitted as part of their application procedure. The Coordinator for Students Services and Alumni Affairs, made a short list of applicants and endorsed by the Campus Executive Director to the Student Regent with the Director for Student Services, Prof. Evelyn Lomboy, for consolidation and later on endorsed to the VPAA for recommendation to the University President for approval.

All 250 tablets allotted for selected students of the Pangasinan State University are successfully distributed among the nine campuses. Headed by the Student Regent Ms. Je-Ann Z. de Vera, SSAA Director Prof. Evelyn Lomboy, and the Student Services Coordinators of the different campuses, the tablets can now be used by financially inclined students to catch up with the University's new normal mode of learning.

“Pursuing my university studies was a struggle both financially and emotionally. I’ve faced countless challenges and struggles and whenever I feel the fear of doubt, I would remind myself, ‘what doesn’t kill you makes you stronger’ and ‘quitters never win’. I am a proud alumnus and former performer of the Caboloan Performing Arts Guild (CPAG) which granted me a study scholarship. PSU shaped me into the person that I am today. It has given me the opportunity to experience the global arena when I was selected to fulfil my international on-the-job (OJT) program in Singapore (2008). I gained the ticket to experience with diverse and multi-cultural community. Never in my wildest dream have I thought of working abroad but PSU created an amazing platform to launch my career internationally. To my beloved my Alma Mater, Pangasinan State University, thank you for the life changing opportunity and I will always be forever grateful.”

Astoundingly, he was chosen and awarded as Outstanding Government Employee 2017- Civil Service Commission Pag-asa Award Regional and National Awardee. The Regional - Awards rites was held at San Fernando City Capitol, San Fernando City, La Union while the National- Awards rites was held at Jose Rizal Ceremonial Hall at Malacanang Palace with the confirmation of President Rodrigo Roa Duterte.

“Pangasinan State University has taught me to dream big. I could still remember when I was struggling to follow the school uniform protocol whenever it will rain hard because I only have one pair of black shoes. This and all the challenges I’ve overcome made me stronger. The poverty my family experienced served as my stepping stone to strive harder in order to give them a better future. As an alumnus, I have been embodying this principle of dreaming big not only for myself but also for the future of my pupils. I am what I am today because of the ideals and principles instilled by my former professors in PSU-Asingan”.

Let it REIGN

The Pangasinan State University held its 5-day program in celebration of the REIGN week with the theme: Innovative and GAD Responsive Research for Extension Highlighting Collaboration Toward IR4.0. The said event was held at the Dr. Telesforo Boquiren Convention Hall and virtually via Zoom from November 29, 2021 – December 03, 2021.

Through the leadership of Dr. Paulo V Cenas, the Vice President for Research Extension and Innovation; Dr Larry Santos, Director of Research and Development Office; Prof Francis Albert Argente, Director for Extension Services Office; Dr Catalina Platon, Director for Innovation Support Office and Dr. Gilbert Moralista, Director for Gender and Development with the assistance of the REIGN center and unit heads.

This weeklong celebration was a series of activities conducted to celebrate the PSUnians' victories in the journey towards excellence. The REIGN week aims to direct on working smarter not harder to achieve outstanding outputs and to provide quality services to the stakeholders who has contributed to the realization of the of Pangasinan State University REIGN initiative.

In line with the celebration of the REIGN week, institutionalization of fare system of rewards and incentives are introduced. Hence, it also initiates the promotion of internal and external collaborations to uplift the quality of services of the university.

With industry 4.0, the Pangasinan State University as a Level IV institution will continuously improve the efficiency, flexibility, profitability, agility, and productivity of the university; because in PSU we believe that little improvements day by day will lead to remarkable results at the right time.

PSU favors Agricultural Research Project of DA, signs MOA with SUCs

University President Dr. Dexter Buted represented Pangasinan State University to sign the Memorandum of Agreement with the Department of Agriculture to support the latter's research with UP-NCPAG dubbed "Establishing Baseline Agriculture Performance and Rural Development Indicators".

Along with PSU were thirty other State Universities and Colleges that joined the virtual MOA Signing Ceremony with DA Secretary William Dar on January 26, 2021.

Through this event, PSU and DA shall gain a profound connection for the development of the agricultural sector in the country by supporting other platforms such as the Agriculture Dialogue and Information Network Groups (ADING) - a program that integrates agencies of local, provincial, regional and national levels which aims to strengthen actions and strategies for the welfare of farmers and fishers.

SOFFREL: PSU SIGNS MOA WITH DOST-PCIEERD

Pangasinan State University and the Department of Science and Technology- Philippine Council for Industry, Energy and Emerging Technology Research and Development (DOST-PCIEERD) met via Zoom on January 5 to conduct the Memorandum of Agreement (MOA) signing of the newly approved Institutional Development Plan (IDP) entitled "Solid Freedom Fabrication Research Laboratory"(SoFFreL).

Present at the said MOA signing were the University Officials headed by Dr. Dexter R. Buted, the Vice President for Research, Extension and Innovation, Dr. Paulo V. Cenas, Dr. Larry A. Santos, Director for Research Development Office and Prof. Francis Albert T. Argente, Director for Extension Services along with Dr. Enrico C. Paringit - DOST PCIEERD Executive Director, and Glenda Dorcas Sacbibit - PCIEERD Supervising Science Research Specialist, Human Resource and Institution Development Division (HRIDD).

Under the leadership of Dr. Paulo V. Cenas, SoFFreL is a project initiated by Engr. Rex B. Basuel funded by DOST-PCIEERD which aims to provide facilities for concept modeling, prototyping, rapid tooling, and digital manufacturing. Said laboratory is the 3rd 3D Printing Laboratory in Philippines and the 1st in Region 1 to employ 3D printing in Metalcraft fabrication.

PSU inks MOA with Pangasinan Organic Farmers Associations

Pangasinan State University through the Research, Extension and Innovation Division signed a Memorandum of Agreement with seven Organic Farmers' Associations in Pangasinan to promote Moringa production in the province last April 22, 2021 at PSU-Sta. Maria Campus.

Participating Organic Farmers' Associations will be the beneficiaries of the Php 4M PSU Massive Malunggay Seedling Production Program funded by the Department of Agriculture – Regional Field Office 1 and in partnership with the Moringaling Philippines Foundation, Inc.

Prior to the MOA signing, the PSU Research, Extension and Innovation team journeyed around the province, climbing hilly terrains and crossing rushing rivers in search of areas suited for Moringa production. The beneficiaries were selected based on their capacity to implement the program.

Funds for the program were allocated from the Agriculture Stimulus Package of RA 11494 or the "Bayanihan to Recover as One Act" (Bayanihan II). PSU is one of the eight SUCs in the country to be awarded with the R&D grant.

The event was graced by the presidents of the participating farmers' associations together with the selected University Officials. Dr. Dexter R. Buted, University President was ably represented by the Vice President for Research, Extension and Innovation, Dr. Paulo V. Cenas and his team.

Spearheaded by Dep't of Agriculture Secretary William Dar, other government officials present in the event were Pangasinan Governor Amado 'Pogi' I. Espino III, Congressman Christopher 'Toff' de Venecia, Hon. Nestor D. Domenden (DA OIC-Regional Director, and PSU Regent).

In ardent support of the event, PSU Officials led by University President Dr. Dexter R. Buted, Hon. Elmer C. Vingua (PSU Regent), Dr. Armando D. Junio (CED, Sta. Maria Campus), Dr. Oliver C. Caasi (Center Head, Integrated Agriculture).

On the Radar: ASIN Center to revitalize salt industry

The Office of the Vice President for Research, Extension, and Innovation headed by Dr. Paulo V. Cenas has been diligently profiling Pangasinan's salt industry. As a result, the establishment of the Advanced Salt Innovation (ASIN) Center was conceptualized to revitalize the industry towards sustainable and inclusive economic growth in Region 1.

Further, this proposal will house state-of-the-art facilities and equipment for salt production and innovation.

VP Cenas presented the proposal for the construction of a new research and development center at PSU Alaminos City to the officials of the Bureau of Fisheries and Aquatic Resources- Region 1 (BFAR-R01) led by Dr. Rosario Segundina Gaerlan, Regional Director on Thursday (March 4).

Enjoined the meeting were Dr. Dexter R. Buted, University President, and the leading contributors of the project namely Dr. Larry Santos (Director, Research and Development), Dr. Francis Argente (Director, Extension Services) and Dr. Catalina Platon (Director, Innovation Support).

In Charts: PSU and DOST renew partnership for CEST Program

In response to the government's initiative of alleviating poverty, the Department of Science and Technology (DOST-1) Regional Office 1 is implementing the Community Empowerment through Science and Technology (CEST) Program.

CEST Program aims to provide appropriate science and technology (S&T) interventions to the less-privileged communities in the region focusing on: Livelihood/ Economic Enterprise Development, Health and Nutrition, Human Resource Development, Disaster Risk Reduction and Management and Climate Change Adaptation and Environmental Protection and Conservation.

For this year, municipalities of Agno, Bautista and Umingan were considered to be the project sites in the province based on the guidelines of the program.

PSU and DOST renew partnership in the implementation of the CEST program in the province of Pangasinan with the hope of strengthening provision of location-specific technologies adoptable to the communities.

In line with this, DOST-1 headed by Dr. Armando Q. Ganal, Regional Director and Engr. Arnold Santos, Provincial Director arranged a face-to-face orientation meeting with the Research Extension and Innovation unit of PSU led by Dr. Paulo V. Cenas on March 10, 2021 at the Dr. Telesforo N. Boquiren Convention Hall, Lingayen,

Pangasinan. Also present in the said affair were the Campus Executive Directors, REI Directors, Center Heads and Head of Research and Ethics Board.

Moringaling Philippines sponsor Organic Farming Seminar

Center Head of the Integrated Agriculture Research and Development Center (IARDC), Dr. Oliver Caasi spearheaded the Seminar on Organic Farming at Rosales, Pangasinan in March 2021. Dr. Caasi invited the Research and Sta. Maria Campus headed by Dr. Valentin B. Calpo, Jr. (Asingan) and Dr. Armando D. Junio (Sta. Maria).

Moringaling Philippines sponsored the training of the participants in

Moringa Organic Farming and Formulation of Organic Fertilizers and Pesticides. This training will help the research team of both campuses to conduct research-related activities on Moringa.

Dr. Valentin B. Calpo, Jr. and Ms Analyn I. Diola, Research and Development Coordinator participated in the said training.

Conduct of Rapid Rural Appraisal in the 48 City and Municipal Local Government Units Across Pangasinan

The REIGN team spearheaded by Dr. Paulo V. Cenas conducted a rapid rural appraisal in the 48 city and municipal LGUs across Pangasinan for the DA-funded project entitled “*Assessment of the Resources and Capabilities of Pangasinan Local Government Units in Providing Agriculture and Fishery Extension Services*”.

Agricultural Extension is basically the way by which generated knowledge, technology, and innovation are introduced to farmers and fisherfolks largely those living in rural areas in order to bring about change and improvement in their lives. Theoretically, extension should be seen as critically important to agricultural communities as it serves as access to the support and services required to improve agriculture and other farming-related activities.

As the objective of the aforementioned project was to describe the current system of Agriculture and Fishery Extension Services of the LGUs, the four key elements of the system must be mapped to the AFES. Catering to the needs of farmers and fisherfolk is the ultimate purpose of the system management. Because of limited period to conduct the assessment, the Rapid Appraisal (RA) method was used in gathering the needed data. Results of rapid appraisals have restricted reliability and validity.

All the LGUs in Pangasinan were considered in this project. Key informants being interviewed were the city/municipal mayors, municipal administrators, provincial agriculturist, agency heads and the PAFC chair. In the focus group discussion, participants were the municipal agriculturist, municipal planning officers, budget officers, MAFC chairs. The simple survey was accomplished by selected senior AEWs.

In describing the status of the agriculture and fishery extension system of the Pangasinan Local Government Units, the project arrived to conclude that there is insufficiency in the number of permanent and qualified agricultural extension workers working in the municipal/city LGU level. Agriculture and fishery extension personnel also lack the ability to strategize and innovate in developing their plans. Physical

resources needed in delivering extension services are not always available or if available, they are mostly shared by other departments and not adequate for extension purposes among others.

The conduct of the rapid rural appraisal in said cities and municipalities ran on identified dates in the months of May, July, and August 2021.

Establishment of Nipa Sap Distiller for Bantayan Farmers Association

Ethanol production and consumption support the government's effort to reduce dependence on imported alcohol, protect public health and the environment in this time of pandemic hence promoting rural employment and income.

The town of Lingayen has been identified as one of the major nipa-producing towns in Region 1. A team of specialists from PSU has been trained in the methods of ethanol production with reference to the establishment of Nipa Sap distiller for Bantayan Farmers Association. The PSU

REIGN division desires to transfer the technology of ethanol production from nipa to the community as part of its education, research and extension mandates.

A Memorandum of Agreement was made and entered into on May 20, 2021 at Brgy. Bantayan, Lingayen, Pangasinan by and between PSU represented by the University President, Dr. Dexter R. Buted and the BLP Farmers and Irrigators Association, Inc. represented by the Association President, Mr. Tony R. Ferrer as the technology-taker. On behalf of the university president, Dr. Paulo V. Cenas, VP for REIGN attended said MOA signing.

Both parties mutually agreed that PSU shall be responsible in the transfer and operation of the distiller and that the technology taker shall provide and maintain safe bunkhouse, electricity, and water supply for the facility as one of his responsibilities.

PSU-DOST 1 FOOD INNOVATION CENTER: Delivering Productive Outputs in the New Normal

The PSU-DOST1 Food Innovation Center as other agencies had been, also suffered with the after-effects of the COVID -19 pandemic. Despite these challenges, the FIC continuously develops, sustains, and delivers relevant services, timely turns food concepts to products, and technology transfer to the food industries and other clients.

The Food Innovation Center completed a research project entitled *“Transforming Region 1 Vegetables (Eggplant, Mungbean, Squash, and Lasona) to Value Added Products Using Appropriate Technologies”* which is a Department of Agriculture (DA) grant funded project for a total of Php 900,000.00 which was presented to the Department of Agriculture last April 30, 2021.

Region 1 vegetable crops such as eggplant, mungbean, squash and lasona through innovative product development were processed to value added products using appropriate technologies such as vacuum frying, cabinet drying, water retort processing and pickling. The Food Innovation Center was able to develop eight (8) products namely: 1) vacuum fried shallots 2) cabinet dried shallots 3) vacuum fried squash 4) cabinet dried squash 5) squash pesto sauce 6) pickled eggplant 7) eggplant dip and 8) mung bean non-dairy milk. Sensory profile, physico-chemical and microbial qualities were determined acceptable and safe for consumption. Appropriate packaging material of the innovative products was identified for each product. Package of technologies were prepared and training was conducted, the farmers being the participants.

The Center also completed a project entitled, *“Application of Hurdle Technologies for Extending the Shelf Life of Candon Calamay and Development of Processed Ube Products”* which is a DOST-GIA funded project for a total of Php 476,000. Terminal report presentation was held last June 14, 2021 via online meeting.

The FIC was able to develop a process to extend the shelf life of Candon Calamay from the usual 5 days to 3 months. In addition, the FIC was also able to produce 3 standardized process of producing native delicacies (classic calamay, ube calamay and ube buyos) and their appropriate packaging.

PSU-DOST1 FOOD INNOVATION CENTER RESEARCHERS BAG 1ST PRICE IN NATIONAL AND REGIONAL PRODUCT PITCHING, REGIONAL INVENTION CONTEST AND EXHIBIT

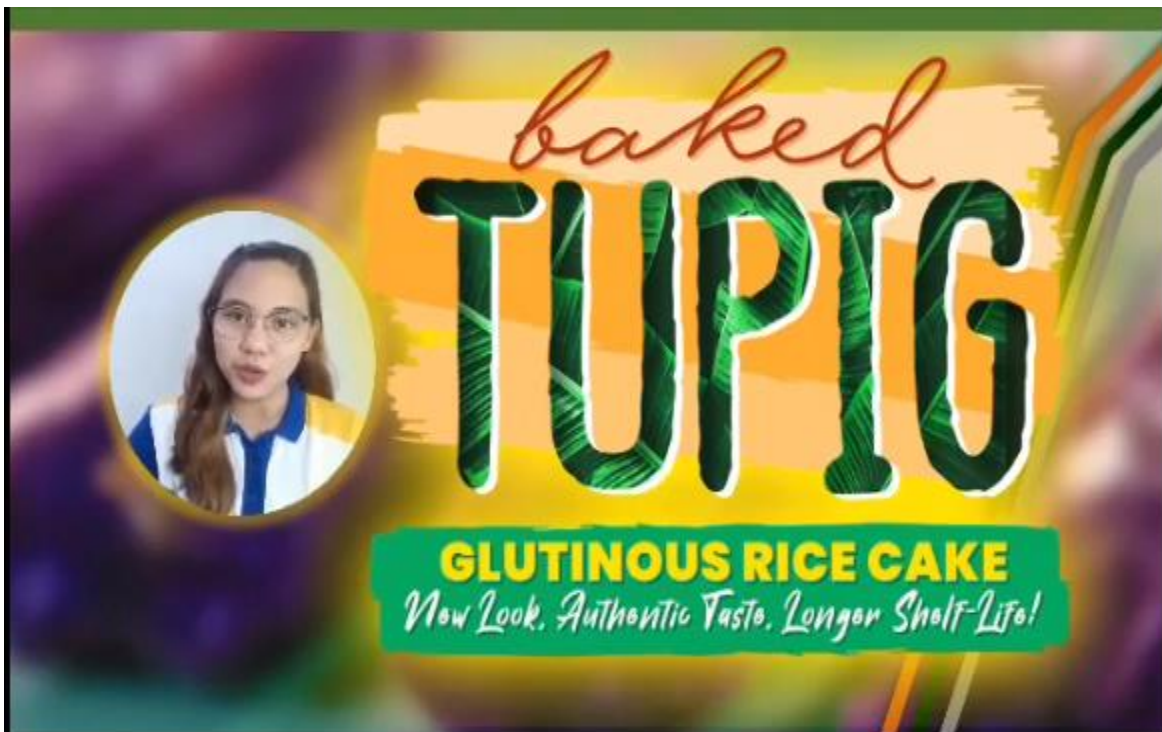

The Binagoongang Bangus which is a matured technology produced at the PSU-DOST1 Food Innovation Center was pitched by Dr. Christian Thom Tabisola during the PCCARD National Pitching contest and won the 1st prize Best in Technology Pitch Award last May 27, 2021.

FIC researchers were also awarded as winners for the Regional Invention Contest and Exhibits 2021 under the Creative Research or Likha Category. The Mungbean Milk with Mango Flavor in Retort Pouch won the 1st Prize for the Outstanding Creative Research while the Vacuum Packed Baked Tupig was awarded second price in the same category last October 29, 2021.

FIC's Baked Tupig bags Grand Prize in Technology Pitch

The Food Innovation Center (FIC) at Pangasinan State University - Bayambang Campus continues to create food innovations that transcend current challenges in the market. This has been proven in the recently concluded Technology Pitch for Inventors during the Virtual Seminar Writeshop on Technology Commercialization and Pitch Day for Faculty and Full-time Researchers among IP-TBM offices of ILAARRDEC held on July 19-23 and 26, 2021 via Zoom. In the said event, Dr. Roseanne Jane C. Agustin won 1st place and the Best Pitch during the Technology Pitch Presentation.

Dr. Roseanne Jane C. Agustin represented PSU-FIC and participated in the 5-day training which includes technology commercialization, marketing and branding, business plan preparation, IP valuation among others. After the rigorous training about poster and pitch preparation, Dr. Agustin together with Mr. Adrian D. Veloso and Mr. John Alex Bumanlag, video editors, created the poster and video needed for the Technology Pitch Day.

Dr. Agustin's Technology Pitch focused on Tupig which is Pangasinan's very own sweet delicacy. Moreover, the technology pitch addresses the problems and solutions made for the native food. The technology was invented by PSU-FIC Researchers and Technology Developers composed of Dr. Raquel C. Pambid, Head, FIC Center and Coordinator, R&D office, Dr. Wilma De Vera, FIC Head Manager, Prof. Veronica Austria, Chair, Technology and Livelihood Education and Mr. Cyril John Domingo, Member, Technology Team have created an innovative technology which prolongs the native delicacy's shelf-life and over-all presentation.

Training on Research and Statistics for Medical Personnel of Region 1 Medical Center

One of the University's strategic goals is to keep a strong research culture and technology transfer and keeping a sustainable social responsiveness at the same time. Partnering with our stakeholders who will sustainably and potentially benefit these services provided by the University envisions this social responsibility.

With the request of Region 1 Medical Center Research Development and Management to conduct training on Statistical Tools for Research most especially in Basic Statistics, the Center for Statistics and Computing Sciences with Statisticians and Unit Head as the lecturers spearheaded said undertaking.

PSU AC conducts Salt-related Researches

The Pangasinan State University – Asingan Campus (PSU-AC) conducted salt-related studies as a support of the campus to the University's research agenda and priority project on Salt. The Research and Development Coordinator, Ms. Analyn I. Diola with the approval of the Campus Executive Director, Dr. Valentin B. Calpo, Jr. conducted studies on the four (4) Municipalities of Pangasinan namely Dasol, Infanta, Alaminos and Bolinao as sampling sites of water, salt and soil.

Two (2) research studies were immediately conducted on salt-related problems because of its seasonal condition entitled, "Land Suitability Assessment of the Coastal and Brackish water areas in Pangasinan for Salt Farming" and "Utilization of *Nypa fruticosa* in household Saltmaking". Faculty researchers are Ms. Analyn I. Diola, Engr. Eric A. Cunanan and Ms. Cristine E. Clarion who patiently collected samples on the sampling sites from May to June 2021. researchers are Ms. Analyn I. Diola, Engr. Eric A. Cunanan and Ms. Cristine E. Researchers produce variety of Moringa dishes

Faculty and staff of Pangasinan State University - Asingan Campus were all encouraged to prepare their own Moringa recipes as part of the research "101 Ways to Prepare Moringa Dishes" that was conducted from April to December 2021. The specific research activity is in support of the university's priority projects.

The team used fresh moringa leaves and the produced moringa powder in preparing various dishes. On April 7, 2021, the team started to develop the standard recipe of Moringa pancake using the powdered moringa and fresh moringa leaves. Carrotmoringa bread, Fishball moringa and AlmondigasMoringa were all cooked and tasted by the faculty and staff on May 14, 2021. Malungay Steamed Cake, Moringa Muffin, and Lengua de Moringa were also prepared.

On July 21, 2021, the team prepared the moringa oatmeal cookies, choco-moringa crinkles, stew native chicken with moringa, pancit with Malunggay, and Arrozcaldo with Malunggay. Another set of dishes were prepared on the following month which includes Dinengdeng, sauteed tapa with malunggay leaves, stewed mushroom with malunggay leaves, chicken teriyaki with malunggay, moringa chiffon cake, pinakbet with malunggay and beef bulalo with malunggay. Moringa cheese roll using moringa wrapper, and moringa granula bars were cooked on November 2, 2021.

“I can. The Pangasinan State University can”

The University President Dr. Dexter R. Buted delivered his State of the University Address (SUA) during the 6th PSU Special Board of Regents' Meeting on December 21, 2021 at the CSI Stadia, Dagupan City.

Dr. Buted presented the accomplishment report of the University under his leadership. The momentous year-end event was witnessed by the faculty, staff, and student leaders as well as members of the Board of Regents. Students and other stakeholders also participated through Zoom and Facebook Live. The said event was presided virtually by Commission on Higher Education (CHED) Commissioner Dr. Ronald L. Adamat who is concurrently the Chairperson of the University's Board of Regents.

The highlight of the president's report is the University's endeavour for quality and excellence in service delivery with its journey towards AACUP SUC Level 2, International Organization for Standardization (ISO 9001:2015) Certification, Institutional Sustainability Assessment (ISA) certification, CHED Centers of Excellence for Fisheries and Teacher Education, Prime HRM Bronze Award, Investors in People Gold Award, and the finally, the Philippine Quality Award -Level III Recognition for Mastery in Quality Management for the past seven years of his unrivalled tutelage.

Another notable accomplishment presented by Dr. Buted is the University's coping mechanisms during the pandemic and its transition to flexible learning and more advanced technological platforms used by the institution.

Moreover, the year 2021 is also dubbed as the “Year of Topnotchers” as PSU produced eight (A-list students from PSU Urdaneta, Binmaley, Lingayen, and Bayambang Campus that landed in the top ten of the Registered Master Electrician (RME) Examination, Registered Electrical Engineering (REE) Board Examination, Licensure Examination for Teachers (LET), and Fisheries Technology Board Examination. Prior to the president’s address was a motorcade in the municipalities and cities of the topnotchers’ campuses in honor of their hard work in garnering such accolades, and for bringing the name of the University to light. These students were also given cash incentives approved by the Board of Regents in recognition of their respective feats.

The University President also presented his plans for the succeeding year as he embarks with his last year in office. “This is only the beginning, and now, history poses a challenge to us to continue the transformation, so that it may bring about even more opportunities for the future of PSU”, said Dr. Buted.

PSUnians who were present in the venue were also given a token of appreciation for their persistent dedication and support to steering the wheel to total quality management and excellence in the four-fold functions of Pangasinan State University.

Moreover, the Faculty Association led by Prof. Ruby Amado, the Faculty Regent; Federated Student Government under the leadership of the Student Regent Mr. Christian Madarang; and the Non-Teaching Association led by Mr. Melvin Santos, presented Dr. Buted with plaques of recognition in gratitude of his exemplary service and visionary leadership.

The University President manifested that with the commitment, integrity, and teamwork, PSUnians can achieve their goals more than what they had expected.

PSU is 1st PH Educational Institution to receive PQA Level III

Marking the history of Philippine academia, Pangasinan State University now holds the premier distinction as the first educational institution to be conferred the most prestigious Philippine Quality Award Level III: Mastery in Quality Management during the 23rd PQA Assessment Cycle.

The Philippine Quality Award is the highest level of national recognition for exemplary organizational performance. It is equivalent to the prestigious Malcolm Baldrige Performance Excellence Program in the U.S. and other National Quality Awards nationwide. Established through Executive Order No. 448, issued by former President Fidel V. Ramos on October 3, 1997, the award is given to organizations in the private and public sectors that excel in quality, productivity, and business performance.

In the pursuit towards unmatched quality and excellence in management system, PSU has commenced its PQA journey in 2017 where it underwent a series of rigorous training and workshops to get into the stride of the coveted award and its Criteria for Performance Excellence, consisting of seven (7) categories in Leadership, Strategic Planning, Customer Focus, Measurement Analysis and Knowledge Management, Workforce Focus, Operations Focus, and Results.

Since then, PSU had established its 'Arsenal of Champions' led by University President, Dr. Dexter R. Buted arm in arm with VP for Academic & Student Affairs Office, Dr. Manolito C. Manuel; VP for Planning & Finance Management Office, Dr. Maria Corazon B. Puzon; VP for Research, Extension & Innovation Office, Dr. Paulo V. Cenas; VP for Administration and Linkages Office, Dr. Elbert M.

Galas; VP for Quality Assurance Office / QMR, Dr. Marcelo C. Gutierrez, Jr., and other University Officials to fulfill the requirements in the set criteria.

The PQA as a benchmark for Philippine Industries in bolstering global competitiveness is in the same league with the Institution's aspirations to infuse all of its programs and activities with a global perspective by utilizing cutting-edge technology for effective instructional delivery and forming connections with prestigious academic organizations.

In PSU, we believe in developing global leaders who positively contribute to the national, global, and civil society economies.

Journeying through the strenuous road of becoming an ASEAN Premier State University, PSU's quest to PQA is an attestation of the celebrated 'Lion Spirit' of determination, courage, and nobility, certainly, destined for greatness.

Pangasinan State University leaves a legacy of greatness as the first Philippine Education Institution and the sole bearer of Philippine Quality Awards Level III: Mastery in Quality Management.

PSU is first SUC in Ph to bag the IIP Gold Award

Pangasinan State University (PSU) is officially hailed as an 'Investors in People Gold Awardee' by the Investors in People on Friday, the first State University and College(SUC) in the Philippines to be distinguished with the internationally-recognized award.

The award was conferred to PSU virtually during the 14th Investors in People (IiP) Concourse: Striving Through Agility on November 26, 2021. The European-based Committee themselves including IiP International-United Kingdom Director Sir David Yale, and the Chairperson for IiP Philippines Ms. Janet Webster, and of course the IiP Chief Executive Officer of the Philippines, Mr. Gerry Plana.

University President Dr. Dexter R. Buted expressed his appreciation for receiving yet another major honor this year. He also stated that the University's investment in quality assurance has contributed to improved work ethics in a diverse society.

This historic event was witnessed by all PSU campuses, who applauded everyone's teamwork in achieving this award.

Ms. Webster, in awe, stated that PSU's magical source is more than just quality. "When you go to PSU and talk to people, you get a sense of excitement and 'where we're going there.'"

The Midas Touch

The road to the coveted award, however, was not without difficulty.

It all began in 2017, when the University first became acquainted with the principles of the Investors in People. Since then, the administration has focused on this aspect through the Human Resource Management and Development Office (HRMDO), attending and conducting various seminars, and assessing with the management the answer on how to meet the needs of its workforce and the institution itself through the workforce, in accordance with IiP standards.

On May 4, 2018, PSU finally bagged the Investors in People Silver Award at the 10th IiP Concourse held at the SMX Convention Center, SM Aura Premiere, Taguig City.

Two years later, PSU signed up once again, hoping to reach a higher level, which it did.

PSU's advancement from Silver to Gold status simply indicates that the university has improved through effective people management. The administration is firmly committed to providing the best practices for the workforce, as defined by its core and leadership competencies.

'We Invest in People'

The Investors in People is an agency based in the United Kingdom that accredits organizations across the global with a mission to put people and purpose first by highlighting the strength of an empowered workforce through effective leadership.

As for today's concourse, four Philippine organizations made it to the list of awardees: Pangasinan State University, First Balfour, TaskUs Philippines, and Bounty Argo Ventures Inc.

AAHRMEI honors DRB with Leadership Excellence Award

As AAHRMEI celebrate its 20th Anniversary via zoom on February 22, 2021 with the theme, "Celebration & thanksgiving for the two decades of unsurpassed leadership excellence," Dr. Dexter R. Buted, President of Pangasinan State University was honored with the coveted Leadership Excellence Award.

Dr. Buted in his speech echoed that, "AAHRMEI worked hard and has lived to its objective of supporting agencies to complement other organizations in order to pursue quality and excellence in hospitality education. Undeniably, it will continue to channel innovative leadership in our changing times and will pass on sustainable leadership on the next generation."

The Association of Administrators in the Hospitality, Hotel, and Restaurant Management Educational Institutions (AAHRMEI) is committed to be an outstanding organization serving as a vehicle for all schools offering hotel and restaurant management, tourism, food technology, home economics, nutrition, and other related programs. AAHRMEI is now composed of more than 3,470+ strong members, individuals, and institutions combined.

This award is another added laurel to Dr. Buted's leadership. Your entire PSU Family is proud of you for being an epitome of

leadership excellence in the field of education and among all academicians and practitioners.

Continue to be an inspiration to all those who dream for a better tomorrow. Mabuhay ang Pangasinan State University!

Meeting of Minds: PASUC, DMMSU, and Aklan State University benchmark on PSU's LUDIP

The Pangasinan State University's Land Use Development and Infrastructure Plan was benchmarked by member SUCs of the Philippine Association of State Universities and Colleges in Region 1 (PASUC) on February 19, 2021 via Zoom.

Ms. Evangeline Pescador, LUDIP and IAS Focal person presented PSU's LUDIP processes and conceptual plans as well as other contents from CHED IRR of 11396.

Meanwhile, representatives from Don Mariano Marcos Memorial State University visited Pangasinan State University on February 22, 2021 to benchmark the LUDIP of PSU. This is by far the first onsite benchmarking activity hosted by PSU since the pandemic.

As well, officials from Aklan State University conducted a virtual benchmarking activity on PSU's LUDIP on July 14, 2021.

Thus, PSU shows support to other institutions' progress by opening its doors for interactive learning, sharing of best practices and management processes.

CHED-FUNDED RECPE GRANTS PROJECT OF THE UP RESILIENCE INSTITUTE (UPRI)

In 2020, Pangasinan State University was cited as the 1st SUC in Region 1 to submit its LUDIP to the CHED. In 2021, PSU is acknowledged as one out of 7 SUCs to have a LUDIP all over the country. In 2022, 25 SUCs which complied with the directive of CHED Chairman Prospero De Vera in December 2021, were selected to participate in one of CHED-RECPE funded grants, a project in collaboration with the UP Resilience Institute (URPI). 12 Directors and officials of PSU were selected as members of the TWG.

THE SUC FOCAL PERSON, PROF. EVANGELINE O. PESCADOR, IAS Director was invited as Technical Expert for another CHED--FUNDED RECPE GRANT "CAPACITATING PHILIPPINE SUCs in SUSTAINABLE LAND USE DEVELOPMENT AND INFRASTRUCTURE PLANNING"

“Our legacy is our resolute commitment” says DRB

Pangasinan State University is unstoppable in its journey for excellence and quality. It is for this reason that the University headed by our dynamic President, Dr. Dexter R. Buted ventures into several quality assurance tools and mechanisms which ensures excellence and optimum quality. Quality and excellence have become our University’s DNA which is indispensable in the creation of various programs that would merit not only our students but all members of the community.

Dr. Dexter R. Buted during his privilege speech imparted that, “We should never go tired and weary of shelling out our talents and capabilities in realizing our vision. Our legacy to the next generation is our resolute commitment and hard work just to fulfill our sworn duties as public servants.”

The good President then encouraged all the University and Campus officials as well as the teaching and non-teaching personnel to continue working in unity and cooperation for the sole purpose of providing quality and excellent service to all our stakeholders.

As the Executive Director of Lingayen Campus, Dr. Lorna Urbiztondo, added during the meeting, “So far, in our quest for excellence and quality, I have proven that unity, cooperation and collaboration are truly indispensable in achieving our goals and objectives.”

In the same way, Dr. Marie Claire B. Briones, Director of the Open University Systems echoed her speech of appreciation and gratitude to all her colleagues as they work selflessly in ensuring everything is consummated.

Lastly, H.E. Luccock veritably confabulate that, "No one can whistle a symphony. It takes a whole orchestra to play it." PSU's fortitude in achieving the excellence is on no account centered to recognition, but, as a University who strives to reach its full potential, the different template for excellence will propel us to reach our vision to become an ASEAN Premier State University.

PSU CHECKS ON STATUS OF COPC APPLICATION

An orientation program regarding Pangasinan State University's application to the Certificate of Program Compliance (COPC) was conducted by the Office of the Vice President for Quality Assurance at the Dr. Telesforo Boquiren Convention Hall on January 7.

Said meeting was led by University President Dr. Dexter Buted, VP for Quality Assurance Dr. Elbert Galas, and VP for Academic Affairs and Support Services Dr. Manolito Manuel wherein they presented and elaborated the procedures for the COPC application and the Quality Management System (QMS).

Moreover, Head of CHED Initiated Assessment Unit Dr. Mary Ann Macaranas discussed the CMO 14 s 2019- policies and guidelines in the issuance of COPC to State Universities and Colleges (SUCs) and Local Universities and Colleges (LUCs).

Among the participants were the Campus Executive Directors, SAS and OUS Executive Directors, Curriculum and Instruction Director, College Deans and Chairs.

PSU-SAS undergoes CHED VIRTUAL VISIT for its COPC application

Technical Panel from the Commission on Higher Education, Central Office, Quezon City in the person of Dr. Danny Villena, Dr. Ruby Serrano and Dr. Ana Cristina Biglete together with officials from the Regional Office-I, Dr Danilo Bose and Dr Juan Primitivo Petrola were present in today's virtual visit in relation to PSU-School of Advanced Studies Certificate of Program Compliance application.

The activity aims to assess the alignment and compliance of SAS programs, namely Master of Arts in Education and Doctor of Education to the policies, standards and

guidelines of CHED including the CHED Memorandum Order No.53 series of 2007 or the Policies and Standards for Graduate Programs in Education for Teachers and Other Education Professionals and to ensure that the existing programs are quality assured.

An audio-visual presentation was developed as a situationer and to provide current updates on SAS operations. The Panel subjected some documents to careful perusal coupled with question and answer where the program advisers and faculty members took charge in responding to the Panel's queries.

After the validation of presented documents, the Panel provided recommendations as to how SAS can improve along specific areas in its quest to be granted COPC by CHED.

As closing, Dr. Rosario DL Valencerina, SAS Executive Director mentioned that the activity is an opportunity to be seized to learn and improve in those areas that could earn the institution with better performance and service delivery. She thanked the SAS family for their cooperation and dedication to achieve greater heights amid the pandemic.

16 PSU degree programs are now COPC-approved

PSU has once again achieved success in securing a Certificate of Program Compliance (COPC) to a total of 50 Degree Programs out of 73 that are offered in its 9 campuses.

Out of the 50-degree programs, 16 have been successfully awarded last November 12, 2021 in PSU-Lingayen Campus.

Dr. Rogelio T. Galera Jr., Director IV, handed over the Certificate of Program Compliance (COPC) for the Bachelor of Science in Information Technology program to the Pangasinan State University - Asingan Campus personnel headed by Mr. JB O. Doria, Department Chair, at the CHEDROI Office on March 5.

Region's Premier University of Choice

The degree programs that have been awarded the Certificate of Program Compliance (COPC) are the following:

1. Bachelor of Secondary Education – PSU Lingayen
2. Bachelor of Science in Information Technology – PSU Bayambang
3. Bachelor of Arts in English Language – PSU Lingayen
4. Bachelor of Early Childhood Education – PSU Bayambang
5. Bachelor of Elementary Education – PSU Bayambang
6. Bachelor of Physical Education – PSU Bayambang
7. Bachelor of Secondary Education – PSU Bayambang
8. Bachelor of Secondary Education – PSU Urdaneta
9. Bachelor of Early Childhood Education – PSU Urdaneta
10. Bachelor of Science in Biology – PSU Lingayen
11. Bachelor of English Language- PSU Urdaneta
12. Bachelor of Secondary Education – PSU Binmaley
13. Bachelor of Elementary Education – PSU Sta. Maria
14. Bachelor of Secondary Education – PSU Sta. Maria
15. Bachelor of Science Agri-Business Management- PSU Sta. Maria
16. Bachelor of Science in Business Administration – PSU Lingayen

The Certificate of Program Compliance (COPC) is a recognition that the specific degree programs being offered by SUCs/LUCs are fully compliant with the policies, standards and guidelines of CHED. To ensure that the existing programs of the SUCs/LUCs are quality assured, the issuance of COPC shall be requested from CHED. This is in compliance with the CHED Memorandum Order No. 14 series of 2019. In case the SUC/LUC will not be able to secure the COCP within two (2) years, the Governing Board may decide whether or not to continue offering the program.

The awards and recognitions that a university has received in the past is a good indicator of its quality and prestige. Through this certificate compliance, PSU ensures that it is always in line with the guidelines of the Commission on Higher Education to provide our students with a quality and excellent education.

Seven (7) Pangasinan State University Officials attended the 5-day Philippine Quality Award (PQA) E-learning Assessors Preparatory Course on October 27, 2021.

The PQA has been the premier quality award in the Philippines since its founding in 1988. Through training, accreditation of institutions and individual specialists, and recognition of those who excel in their professions, the Institute serves as a catalyst for information transfer. The PQA has been a global leader in advancing educational excellence through its work at home and abroad. This Philippine Quality Award (PQA) E-learning Assessors Preparatory Course helps participants to learn the framework and principles of Philippine Quality Award management system based on the US Baldrige Performance Excellence, to gain competencies required as a PQA Assessor in reviewing and assessing award applications, and to have an opportunity for a new career and be part PQA's pool of Assessors.

The said 5-day training course was attended by 61 participants including the following seven University Officials: Dr. Elbert Galas, Vice President for Administration and Linkages Office; Dr. Liza Quimson Campus, Executive Director, Bayambang Campus; Prof. Celeste Mercado Director, Students and Alumni Affairs Office; Dr. Billy Festijo Director, Institutional Assessment and Accreditation; Dr. Gloria Ducut, IGP Coordinator, Alaminos City Campus; Dr. Jenylyn Oboza, HR Coordinator, Alaminos City Campus; and Dr. Charlane Lopez, BSBA Program Chairperson, Alaminos City Campus. They were among the participants who completed the fourth batch of this E-learning Assessors Preparatory Course led by Ms. Angelica Friginal, Philippine Quality Award (PQA's) Resource Speaker.

In addition, this is a privilege for PSU Officials since the university is the first educational institution to be conferred the most prestigious Philippine Quality Award Level III: Mastery in Quality Management during the 23rd PQA Assessment Cycle.

In-house accreditors oriented with new AACUP guidelines

As AACUP's three-day 'Webinar-Workshop on the Guidelines for Levels III & IV Program Accreditation System' concludes on May 28, Dr. Dexter R. Buted puts forth the magnitude of getting equipped with the newly-crafted guidelines and the significance of having the accrediting body as part of the Institution's mechanisms in ensuring quality and excellence in its four-fold functions.

The event commenced on May 26 and concluded on May 28, featured lectures were:

May 26 (Day 1):

Module 1-Basic Concepts (Background & Paradigm Shift) & Basic Guidelines on Online Accreditation for Levels III and IV by Dr. Myrna Q. Mallari (Chairperson & President, AACUP Board of Trustees; President, Tarlac State University)

Module 2-Preparation for Level III & IV Accreditation by Dr. Milabel E. Ho (AACUP Executive Director; Former President, Western Mindanao State University)

May 27 (Day 2):

Module 3-Instrument and Rating System & Working Checklist and Accreditors' Report Form by Dr. Raul F. Muyong (Auditor and Trustee, AACUP Board of Trustees; President, Iloilo Science, and Technology University)

Module 4-Writing the Final Report by Dr. Anthony M. Penaso (Trustee, AACUP Board of Trustees; President, Caraga State University).

May 28 (Day 3):

Crafting Possible Questions after SUC Presentation

Committed to bolster PSU's accreditation mechanisms and capabilities, are the in-house roster of competent accreditors: Dr. Manolito C. Manuel (VP for Academic Affairs and Support Services), Dr. Elbert M. Galas (VP for Quality Assurance), Dr. Cristeta C. Dulos, Dr. Gemma M. De Vera, Dr. Liza L. Quimson, Dr. Honorio L. Cascolan, Dr. Razeale F. Resultay, Dr. Narciso F. Castro, Dr. Elmer C. Vingua, Dr. Rosario DL. Valencerina, Dr. Cielo C. Fernandez, Dr. Frederick F. Patacsil, Dr. Ramil L. Dacal, Dr. Amelita M. De Vera, Dr. Zosima M. Sison, Dr. Billy T. Festijo.

The paradigm shift in education did not only overturn the classroom setting per se, but all other activities of a learning institution, including accreditation, among others. But defying bounds and virtual fringes, PSU persists in its unfaltering mandate to advance quality education and excellent service to its stakeholders.

"I challenge all our participants to echo and share the new things in your respective institutions; this is an opportunity more than anything else. Let us then seize this opportunity to leverage the areas that could earn our institutions higher accreditation levels," DRB echoed.

PSU finished strong with 'zero' nonconformity record in QMS surveillance audit

As foolproof testament of Pangasinan State University's top-notch management system, a two-day virtual surveillance audit of its Quality Management System (QMS) kick-started on April 15 – 16 via Zoom.

Charged with fervent drive to uphold its culture of quality, PSU led by the Office of the Vice President for Quality Assurance headed by Dr. Elbert M. Galas in league with Dr. Weenalei T. Fajardo, Director for Institutional Assessment and Accreditation, underwent a rigorous two-day QMS virtual surveillance audit with SOCOTEC Certification International—PSU’s certifying agency.

Amongst the campuses that came to grips with the ‘acid test’ of QMS audit were: Infanta Campus (Site 3); Sta. Maria Campus (Site 5); Binmaley Campus (Site 7); Alaminos City Campus (Site 9); Lingayen Campus and select offices from the Main Campus, particularly Admission/Registrar Office, Human Resource Mgmt. & Dev’t Office, Plant Facility Development, Information, Comm. Tech Office assisted by Institutional assessment accreditation directors/unit heads, and internal auditors.

Each involved campus/office was cross-examined according to SOCOTEC’s ambit of certification knuckled down to the following: Provision of tertiary education services in instruction, research, extension, and production; University level management processes; Performance evaluation, and improvement processes; Campus support services encompassing the period from March 2020 to March 2021. Concerned CEDs and University officials were subjected to scrutiny germane to their internal processes and documentation, and justified how they administered constant improvement throughout, notwithstanding the predicaments posed by the pandemic, and the sudden shift in education set-up.

The event served as touchstone of the Institution’s gold-standard in policies, processes, internal procedures hammered out adhering to ISO9001:2015. Chiefly focused on rectification and reinforcement of the identified nonconformities and observations from SOCOTEC’s audit of all the nine (9) campuses first quarter last year.

Though fleeting and seemingly fast-tracked, the two-day virtual surveillance survey encapsulated a year-long of grueling and painstaking preparation accompanied by successive conferences and internal audit. A Herculean task trailblazed by University President, Dr. Dexter R. Buted together with PSU academic council and Top Management headed accordingly by Dr. Manolito C. Manuel (VP for Academic Affairs & Support Services/QMR), Dr. Marcelo C. Gutierrez Jr. (VP for Planning, Finance & Management), Dr. Paulo V. Cenas (VP for Research, Extension & Innovation), Dr. Maria Corazon B. Puzon (VP for Administration), and Dr. Elbert M. Galas (VP for Quality Assurance).

Strengthening the pillars of PSU’s Quality Management System is the pool of internal quality auditors composed of Dr. Narciso Castro, Prof. Cristie Marie Dalisay, Dr. And Julie Rosal, Dr. Erna Salazar, Dr. Jenylyn Oboza, Dr. Jeanilyn Villanueva, Dr. Catalina Platon, Dr. Salvacion Vinluan, Ms. Charlaine Lopez, Ms. Ma. Odessa M. Pacaul, Mr. John F. Quinto, Prof. Celeste T. Mercado, Dr. Rosario DL. Valencerina, Mr. Jofel John G. Lodriguito, Dr. Grace M. Suratos, Dr. Amelita M. De Vera, Engr. Jerves M. Geron, Prof. Geronimo R. Rosario, Mr. John Mark P. Haban, Ms. Jennifer R. Miguel, Dr. William V. Cayetano, Dr. Zosima M. Sison, Dr. Benson Liester Flores, Dr. Razeale G. Resultay,

Prof. Arceli Adoracion G. Ramos, Engr. Marilyn M. Albior, Mr. Arni-Rie F. Tamayo, Dr. Cielo C. Fernandez, Dr. Joseph B. Campit, and Ms. Sarah Jane M. Ferrer.

As Pangasinan State University envisage to become an ASEAN Premier State University—keeping intact its guiding philosophy and core values—PSU will continue to soar greater heights even in the midst of these uncertain times.

PSU, UPLB sign MOA for academic collab

Grounded on the advancement of higher education in the archipelago, Pangasinan State University signed a memorandum of agreement (MOA) with University of the Philippines Los Baños last July 5 at PSU Main Campus, Lingayen.

The MOA signed by the two HEIs shall set out collaborative opportunities in areas of research and extension, academic programs development, faculty exchange, and leadership enhancement, among others.

University President Dexter R. Buted signed the MOA on behalf of PSU while Chancellor Jose V. Camacho, Jr. represented UPLB. Academic and administrative councils of both institutions were also present at the event.

The signed agreement coincides with PSU's 42nd Founding Anniversary celebration and PSU-OUS 25th Silver Jubilee, marking the University's decades of exceptional contribution as the leading state university in the region.

PSU's collaboration builds the groundwork in bolstering university thrusts in instruction, research, extension, production while fulfilling its vision of becoming an ASEAN premier state university.

PSU partners with LPU-B for Ph.D-IHTM program

Making headway for professional advancement, Pangasinan State University inked a memorandum of agreement (MOA) with Lyceum of the Philippines Batangas last July 7 via Zoom.

As part of its commitment to ensuring continuous development, the MOA underscores the offering of Doctor of Philosophy in International Hospitality and Tourism Management (Ph.D-IHTM) by LPU-B starting 1st trimester of A.Y. 2021-2022 for faculty members aspiring to pursue further studies in the field.

University President, Dexter R. Buted signed the MOA on behalf of PSU, while SVP Mr. Frederick Badillo represented LPU-B. Academic and administrative councils of both institutions were also present at the event.

To ensure the seamless planning and execution of Institutional projects, PSU officials convened through an orientation-workshop on November 9 at the Don Telesforo Boquerin Convention Hall, PSU-Main Office.

Led by Dr. Maria Corazon B. Puzon, VP for Planning and Finance Management, the orientation-workshop on the Project Enrolment and Management Processes underscored the proper

guidelines on the proposal, endorsement, implementation, and funding of infrastructure and non-infrastructure projects of the University.

The daylong event highlighted a 6-point agenda that featured the 'Project Enrolment Process (TRIP and PIPOLE SYSTEM), Project Management Process,' by Mr. Gregorio Delos Angeles Jr., and Dr. Madlyn Tingco; 'Budget Priorities Framework BP 202 (Project Profile),' by Ms. Jesille Q. Viernes, Director for Budget Management; 'Documentary Requirement for the Tier 2 Proposals,' by Ms. Jeanilyn L. Villanueva, Director for Accounting Services; 'Engineering Requirements for Infrastructure Projects,' by Engr. Isagani M. Victorio, Director for Infrastructure Planning and Dev't; 'Crafting Annual Procurement Plan,' by Atty. Darius B. De Guzman, Director for University Legal Services, BAC Secretariat; 'Expanded Project Proposal Format,' by Engr. Richard M. Rivera, Senior Economic Dev't Specialist of Project Dev't, Investment Programming, and Budgeting Division.

The set guidelines and processes guarantee more systematic and organized internal mechanisms from proposal to execution of University-wide projects.

IMPROVING OPERATIONAL PERFORMANCE

Different units under Students and Alumni Affairs Office underwent two-day workshop last July 15-16 to revise quality management system (QMS) process manuals ensuring process conformity and customers' satisfaction.

Prof. Celeste T. Mercado, SAA Director, spearheaded the workshop to obtain initial updates on technical and procedural changes on Marketing; Admission, Guidance and Testing; Enrolment; Scholarship; Sports Development; Culture and Arts; Medical and Dental; Library Service; and Student Grievance processes to improve operational performance.

Also present in the meeting were: Dr. Manolito C. Manuel, VP for Academic and Student Affairs; Mr. William V. Cayetano, Director for Monitoring and Evaluation; Dr. Billy T. Festijo, Director for Institutional Assessment and Accreditation; Ms. Sheila Marie G. Malicdem, University Document Custodian; and other university heads and campus coordinators.

Said activity is also timely as the university migrates to Educational Organization Management Standard (EOMS) from its current ISO 9001:2015.

PSU ATTENDS RDC 1 BUDGET HEARING

The administration of Pangasinan State University presented its F.Y. 2022 Budget Proposal to the Regional Development Council -Ilocos Region (RDC 1) Sectoral Committee for initial review and assessment on Thursday (February 11).

Dr. Dexter Buted, University President, echoed the list of priority projects for the social and economic progress of the university.

Also present in the meeting are Dr. Marcelo Gutierrez (VP for Planning and Finance Management), Ms. Jesille Viernes(Director, Budget Office), Ms. Jeanilyn Villanueva (Director, Accounting Services Office), Dr. Madlyn Tingco (Director, Planning and Development Office), and Mr. Gregorio Delos Angeles Jr. (Head, Planning Unit).

PSU integrates a budgetary plan into its strategic planning for the projected activities and future resource expenditures to promote the efficiency of operations at all levels. Resource allocation is planned to ensure that resources are aligned with the university priority programs and activities.

PSU, DILG meet for MOA drafting

Towards strengthened Local Government Units, PSU takes an active role in realizing DILG's mandate to establish and formulate plans to bolster LGU's technical capabilities in crafting multi-sectoral, risk-informed Comprehensive Development Plan (CDP).

DILG's Local Governance Regional Resource Center (LGRRC) led by Assist. Program Manager, Reggie R. Colisao, CESO V and her team met with OIC-Office of the University President/VP for Administration and Linkages Office Dr. Elbert M. Galas and University officials to outline provisions of the Memorandum of Agreement (MOA) that will concretize PSU as a Local Resource Institute (LRI).

LRIs are verified institutions to provide short courses and technical assistance for the formulation of an upscaled and risk-informed CDP.

To recall, DILG's first meeting with the University last May 18, 2021, underscored the appointment of the latter as an LRI and the proposed offering of CDP-making short courses.

Also present in the meeting were PSU officials: Dr. Manolito C. Manuel (VP for Academic & Student Affairs Office), Atty. Darius B. De Guzman (Director, University Legal Services Office), Dr. Randy Joy M. Ventayen (Director, PRPIO), Prof. Celeste T. Mercado (Director, Students and Alumni Affairs Office), Dr. Madlyn D. Tingco (Director, Planning Office), Ms. Leizel M. Castillo (Focal Person, Investors in People).

DILG officials: Pedro Gonzales (LGOO VII/LGCDD Chief), Rhealiza A. Delos Santos (LGOO V/CDP Focal Person), Michael David S. Casiquin (LGOO IV/CDP Focal Person)

HEIs ETEEAP Directors and Focal Persons Convened Virtually for the Proposed Enhanced PSG for Undergraduate ETEEAP

Expanded Tertiary Education Equivalency and Accreditation Program (ETEEAP) Directors and Focal Persons from different Higher Education Institutions (HEIs) around the country convened virtually via zoom for the Public Consultation on the Draft Enhanced Policies, Standards and Guidelines for the Implementation of ETEEAP for Undergraduate degree programs on June 8, 2021.

The said activity is under the Office of the Programs and Standards Development of the Commission on Higher Education (CHED) headed by Director Cherrie Melanie Ancheta-Diego. Dr. Phillip G. Queroda, PSU ETEEAP Director attended in behalf of the University. Salient proposed provisions in the enhanced PSG for undergraduate ETEEAP include the scholarship or assistance grants, consortium opportunities, integration of flexible learning, more learning platforms, lowering the minimum age requirement to 23 years, and others.

The enhanced CMO is expected to be released this year. At present, PSU ETEEAP offers five (5) deputized programs namely: Bachelor of Science in Secondary Education, Bachelor of Elementary Education, Bachelor in Industrial Technology, Bachelor of Science in Fisheries and Bachelor of Science in Agriculture.

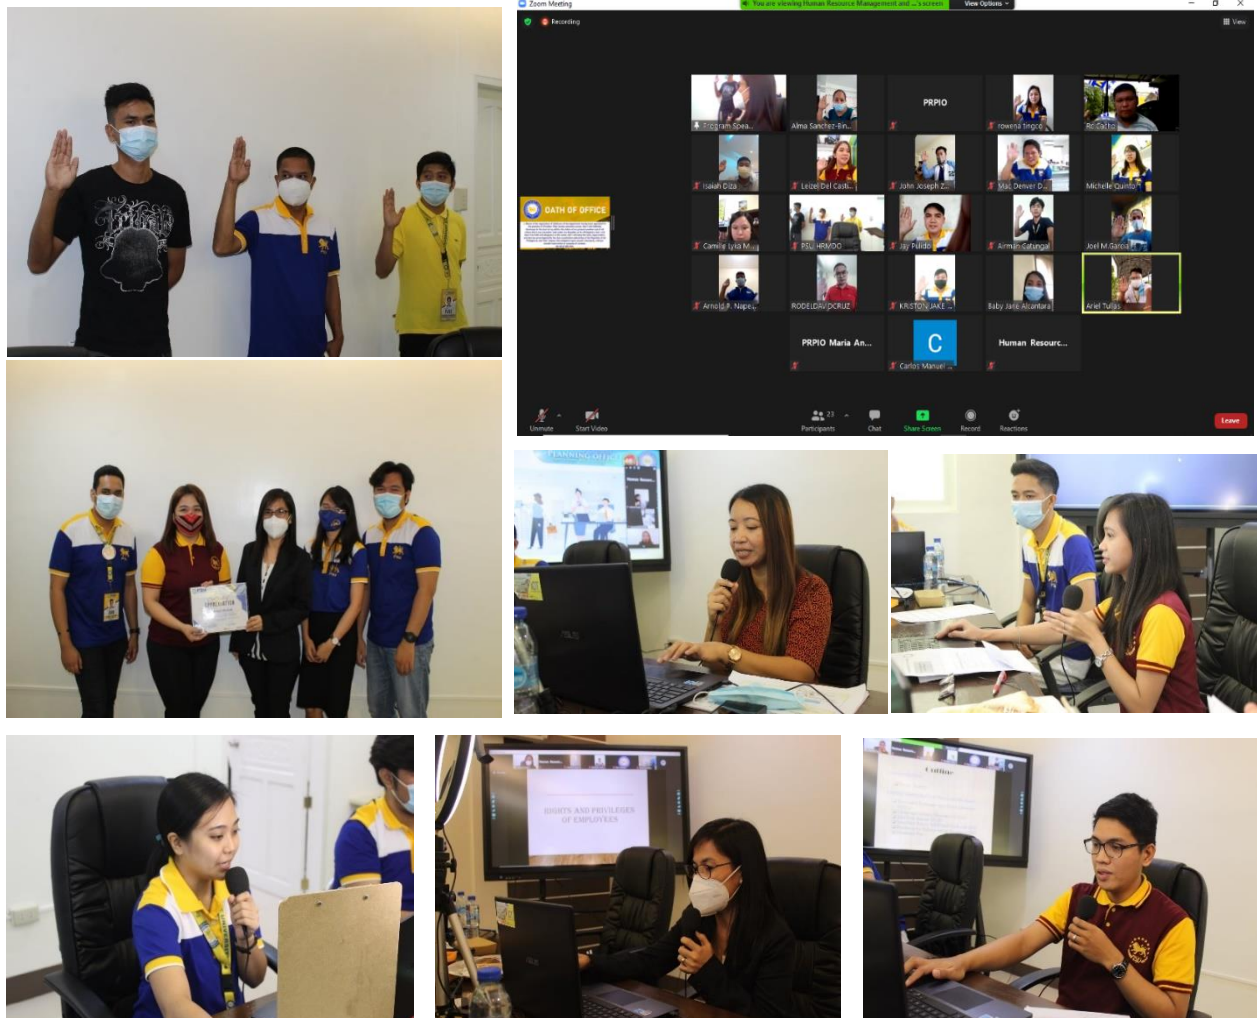

HRMDO on Newly Hired and Promoted Employees Onboarding

The Human Resource Management and Development Office headed by Dr. Ian Evangelista, conducted an orientation program for the newly-hired and promoted non-teaching personnel via Zoom on February 11, 2021.

Through the orientation, employees were enlightened regarding their rights, duties and privileges. In addition, they were informed about the performance management processes, BIR policies and guidelines, compensation and benefits.

Mr. Gilberto Navarro Jr., a promoted employee, delightfully expressed, "marami po akong nalaman ngayon na hindi ko pa na-encounter since dumating ako and nakita ko na marami pang pwede mapuntahan dito at ma-explore dito sa PSU as an employee. Masasabi ko rin na I'm happy to be here".

The event concluded as Dr. Lorena Echalar, Deputy Director for HRMDO led the oath taking while Dr. Manolito C. Manuel, Vice President for Academic Affairs and Support Services emboldened the employees in his parting shot.

Safety first before the spark bursts

A workshop training on electrical safety and related hazards were given to all utility and maintenance personnel of the university on Thursday at the Dr. Telesforo Boquiren Convention Hall.

Through the constant internal audit and accreditation of various local and international institutions, the university was able to identify the concerns to be addressed in the administration and how to further improve its functions over time.

Heeding the university's 'practice quality always' mantra, the Human Resource Management and Development Office and the Physical Plant, Facilities, and Construction Management Office (headed by Dr. Lorena B. Echalar and Dr. Claro S. Sison Jr., respectively) collaborated on November 4, 2021, for a workshop training for skilled administrative personnel to ensure safety in the use of electric-powered facilities.

Prof. Bernard D. Ferrer, Campus Coordinator of the Income Generating Project for Lingayen Campus, provided an overview of how to handle electrical equipment that applicable on campuses. Prof. Francis Lazo, Head of the Electrical Services Unit, on the other hand, discussed potential electrical equipment accidents and how to avoid them.

Said workshop is part of the Workforce Engagement Training Series of HRMDO Learning and Development Unit, which advocates for administrative productivity through effective and efficient work ethics.

Utility Personnel undergoes Training and Workshop

The administration acknowledges the integral role of utility personnel in providing quality service delivery to our stakeholders. As such, the Office of the Vice President for Administration led by Dr. Maria Corazon B. Puzon together with Dr. Narciso F. Castro, Director for General Services designed a training and workshop solely intended for them.

The said training and workshop took place at T.N. Boquiren Convention Hall, PSU Lingayen on February 17. Present at the said event were the utility personnel of the University and Dr. Claro S. Sison Jr., Head for Facilities and Maintenance of the University.

The topics discussed during the training and workshop include housekeeping, personality development and work ethics. Mr. Senando Evangelista and Mr. Billy T. Festijo, faculty members of the College of Hospitality Management of PSU Lingayen Campus served as resource speakers of the said event.

Utility Workers are responsible for cleaning and maintaining University premises and equipment. Their job is to maintain the upkeep of company facilities, repair broken equipment, inspect finished projects, and comply with health and safety regulations.

P.S.U. – Protection, Security, Unity

Being an extensive institution, the PSU - HRMDO has conducted a Workforce Training entitled Workplace Security: Upskilling a Responsive Security Personnel which was attended by all University Guards at the Dr. Telesforo Boquiren Convention Hall this 26th day of November 2021.

The objective of this seminar was to provide the University Guards certain awareness, recognition, additional information, and understanding in their work which will improve their productivity. It is also another way of motivating them to love and appreciate their work, for they are one of the essential assets of the institution.

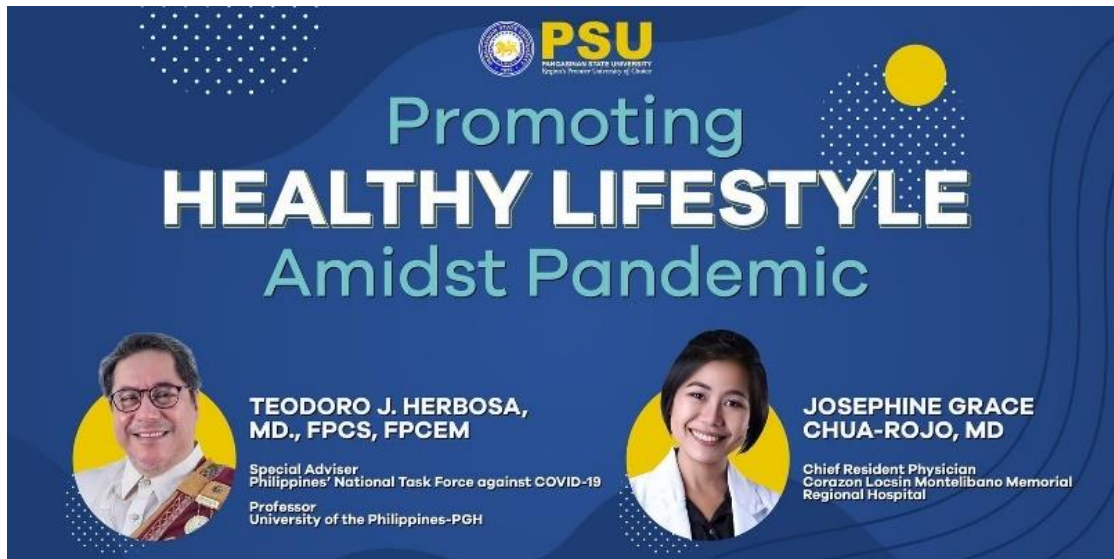

As Police Lieutenant Colonel Kimberly E. Molitas, the speaker, stated that “Hindi lang ang trabaho niyo” which is a great insight since most of the security guards think of their profession as less integral. She has also pointed out that in terms of security if not manpower is added therefore technologies should be, or the other way around.

The Training Engagement was intended to aid the Security Guards to connect, build alliances, and familiarize themselves with the agencies where they are appointed. The speaker had great interactions with the University Guards whereby concerns were raised and given importance.

As a SUC Level IV institution, the Pangasinan State University will keep on aspiring to become a better institution as a center of excellence.

"Promoting Healthy Lifestyle Amidst Pandemic"

Pangasinan State University through the HRMDO, Faculty Association, and Medical and Dental Services will be conducting a webinar entitled "**Promoting Healthy Lifestyle Amidst Pandemic**" on June 25 (Friday) at 8:30 am via Zoom.

ALL PSU employees are fervently enjoined to participate in the webinar to boost their awareness and understanding on COVID-19 and its variants, vaccination, and the benefits of having a healthy lifestyle amidst the pandemic.

As part of the university's aim and effort to boost PSU community's awareness and understanding about Covid-19 and its variants, vaccination, and about having a healthy lifestyle; the University, through the HRMDO, Faculty Association, and Medical and Dental Services, conducts webinar on Promoting Healthy Lifestyle Amidst Pandemic on June 25, 2021 (Friday). Participated by all PSU teaching and non-teaching personnel across all university campuses, the webinar which was conducted simultaneously via Zoom platform and Facebook live featured informative discussions from two renowned medical practitioners of the country.

Comprehensively narrating and explaining about COVID-19's discovery and the escalation of its cases across continents, Dr. Teodoro J. Herbosa, Special Adviser to the Philippine National Task Force against COVID-19 and Professor at the University of the Philippines – PGH, enlightened the participants about the different variants of the virus and the distinctions among the vaccines available. Moreover, Dr. Herbosa encouraged PSUnians to be vaccinated and ensured that in accordance with the National Action Plan against Covid-19 bulk of the supply of vaccines will be available soon in the coming months.

Encouraging healthy diet especially amidst the pandemic, Dr. Josephine Grace Chua-Rojo, Chief Resident Physician at the Corazon Locsin Montelibano Memorial Regional Hospital, presented an informative discussion about the nature and history of our eating habits and its impact to the human body. Dr. Chua-Rojo then advised participants to be mindful of their diet and prioritize health and nutrition.

The webinar also permitted a question-and-answer session where the speakers entertained questions and offered concise answers and explanations to PSUnians.

BUCKLE UP! SHIFTING INTO THE NEXT GEAR

Pangasinan State University once again conducted a workforce training engagement entitled Workforce Transport Safety Reinforcing Standards in Driving organized by the Human Resource Management & Development Office headed by Dr. Lorena B. Echalar this December 02, 2021 at the Audio-Visual Room.

This seminar aims to educate drivers the updated LTO Rules and Regulations which includes the safety driving practices ensuring zero incidents inside and outside the school premises. It also involves the Basic Safety Checks whereby discussing the process of Reporting Defects.

An advanced driver with the benefits of training has great advantages which may save thousands of lives. These safety precautions and knowledge of the law is one of the most important tools to be acquired before navigating the wheel.

Therefore, the PSU HRMDO in cooperation with Mr. Charlie Apolinario A. Del Rosario the Chief Transportation Regulation Officer under Field Force Division who have instructed and educated the University Drivers and will continue to prepare and enhance the work force of the institution.

PSU boosts ICT capability with brand new equipment and software

Pangasinan State University goes full throttle in championing technological advancements as new sets of ICT equipment and courseware from Hytec Power Inc. are now optimized to boost the University's technology response and IT capability.

The turn-over ceremony today, July 26, was succeeded by a 5-day training (July 26-30) accorded to the Information and Communications Technology Management Office (ICTMO) coordinators and College of Computing Sciences (CCS) faculty members to achieve full navigation of the new laboratory equipment, which will then be integrated to the IT program.

PSU, JCI, Freemasonry converge for community development

Forging stronger linkages, Pangasinan State University-Lingayen Campus signed a Memorandum of Understanding with Freemasonry (Moises J. De Guzman Masonic Lodge 161), JCI Pindang Mangaldan, JCI Lingayen Liberation II, and Mapita Indigenous Cultural Community (ICC) today, April 30, at PSU-Main Campus.

Spearheaded by Vice President for Research, Extension, and Innovation-Dr. Paulo V. Cenas, the MOU was signed by Freemasonry Masonic Lodge 161 represented by Worshipful Master, Dr. Arsenio Barrozo; JCI Pindang Mangaldan and JCI Lingayen Liberation II were represented by Pangasinan Vice Governor Mark Ronald DG. Lambino and Mr. Mark Gerry Oblanca, respectively. As the direct beneficiary of community extension programs, Mapita Indigenous Cultural Community was represented by the Chieftain, Mr. Pablo Bacayat.

A cornerstone of future community development projects

Grounded in its four-fold functions, PSU through extension and research programs, inked the MOU as a cornerstone for the "Adopt-an-Indigenous Community" project —a three-year

collaborative extension project between the University and partner institutions focused in Sitio Mapita, Brgy. Laoag, Aguilar, Pangasinan.

Centered on: upscaling farming practices for better production through the establishment of government and non-government linkages to source out needed resources and equipment; advancing literacy, education, and skills development.

"This MOU signing is just the beginning of many projects the University, partner institutions, and stakeholders commit to launch for the betterment of life in Mapita," PSU-Lingayen CED Dr. Lorna Urbiztondo said.

A self-sustaining community

Though rich in natural resources, Mapita lacks the capacity to fully cultivate the lush produce of their agricultural land. The MOU only serves as a threshold for uplifting the community. Hence, throughout the three-year "Adopt-an-Indigenous Community" project, PSU arm in arm with partner institutions pledge in crafting a strategic road map to efficiently notch up the set goals, bolster resources, and outstretch connections; steer active involvement of other organizations and government agencies such as the Department of Agriculture and Nat'l Commission for Indigenous Peoples (NCIP) to enable sustainability.

"I have heard your struggles, and I have witnessed your eagerness to help yourselves and your community, what PSU together with our partner institutions can pledge is to craft a strategic plan to ensure sustainability," said University President, Dr. Dexter R. Buted after recounting on their struggles hit close to home.

Prior to the MOU signing, various projects have been implemented in Mapita, this included distribution of sim cards, tablets, pocket wifi to IP students enrolled in PSU to aid in remote education, and awarding scholarship grants to finish their studies.

PSU initiated COVID Responses

The Golden Lion Pantry was initiated last April 19, 2021 to be able to share to the needy members of the varied community stakeholders across the nine campuses of the University.

Bilang tugon sa hangaring makatulong lalo na sa mga kapwa nating lubos na apektado ng pandemya, inilunsad ng Pangasinan State University ang sariling bersiyon nito ng Community Pantry hango sa Maginhawa Pantry sa Lungsod ng Quezon.

Ang Golden Lion Pantry ay bukas para sa mga taong nangangailangan, sa mga nawalan ng hanapbuhay o walang pantustos sa araw-araw. Gayundin, daan ito para sa mga taong may mabuting puso at bukas-palad upang kanilang maipakita ang busilak na hangaring makatulong sa kapwa.

Upang magabayan ang lahat, narito ang mga patnubay at paalala sa pagbibigay at pagtanggap ng donasyon, at sa pagkuha at pamamahagi ng pagkain.

Ang **COMMUNITY PANTRY** ay isang programa na nagsimula sa Daang Maginhawa sa Lungsod ng Quezon. Naging paraan ito kung saan ang mga taong **MAY KAKAYAHAN at BUKAS-PALAD na MAGBIGAY** ay nagkakaroon ng pagkakataon na makapagbahagi samantalang ang mga **TAONG NANGANGAILANGAN** lalong- lalo na iyong mga nawalan ng hanapbuhay o pinagkakakitaan ay maaaring kumuha ng ano mang bagay o pagkain na sapat para maitawid ang buong araw. May dalawang mesa sa community pantry, isa para sa paglalagyan ng mga donasyon at ang isa naman ay para sa mga pagkaing maaring makuha.

PARA SA MGA NAKALULUWAG SA BUHAY, MAY KAKAYAHANG MAGBIGAY, AT NAIS TUMULONG:

Mangyaring ilagay sa mesa na nakalaan para sa mga donasyon o kaya ay makipag-ugnayan sa tanggapan ng PRPIO ng Pamantasan. Tinatanggap ang lahat ng klase ng donasyong pagkain na hindi madaling masira.

PARA SA MGA MAY PANGANGAILANGAN, WALANG PINAGKAKAKITAAN, AT MGA NAIS MAKAKUHA:

Maaari pong kumuha ang sinomang nabanggit subalit kailangang isaalang-alang ang sumusunod na paalala:

- Siguraduhing sumusunod sa minimum health protocols tulad ng pagpapanatili ng pisikal na distansiya, at pagsusuot ng face mask at face shield.
- Patapusin muna ang naunang kumukuha ng mga pagkain bago lumapit sa mesa.
- Walang inilaan na sisidlan o lalagyan para sa kukunin. Ito ay upang matiyak na sapat lamang para sa maghapong pangangailangan ang madala.
- Huwag pong kumuha nang higit pa sa pangangailangan. Magtira para sa kapwa nating mayroon ding pangangailangan kagaya mo.
- Lagi po nating alalahanin na may iba pang nagnanais ding mabigyan ng pagkakataong makakuha at mabahaginan ng biyaya.
- Maging responsableng mamamayan po tayo. Maging ehemplo ng katapatan, kaayusan, at pagmamalasakit.

TANDAAN: ANG COMMUNITY PANTRY PO AY HINDI PANG MATAGALAN. ITO AY MAGPAPATULOY LAMANG HANGGA'T MAY MABUBUTING KALOOBAN NA NAIS MAGBAHAGI NG KANILANG KAKAYAHAN AT PAGMAMAHAL. ITO PO AY BUKAS PARA SA LAHAT NG MGA NANGANGAILANGAN LALO NA ANG ATING MGA KABABAYANG WALANG MAPAGKUKUHANAN O NAWALAN NG PINAGKAKAKITAAN. LAGI NIYO PONG TANDAAN NA KALIGAYAHAN NAMIN ANG MAKAPAGBIGAY AT KAYO'Y MATULUNGAN. MARAMING SALAMAT PO.

-PSU, ang inyong Pamilyang Nagmamalasakit-

'Golden Lion Pantry'

The PSU Community Pantry is not just a stall containing fresh produce and other food, but a powerful idea inspired by the Maginhawa Community pantry which has come out during this time of pandemic when many members of the populace don't have the means to feed themselves and their families.

The community effort works with a genuine core principle: Everyone is free to donate as much as he can, but no one should get more than what he needs. Established with the accord to community development, the PSU family conjointly shared boxes of grocery items and other food which is now displayed at the entrance of the University for beneficiaries.

PSU's version follows the tenet, "Magbigay ayon sa kakayahan, kumuha batay sa pangangailangan" translated in Pangasinan and Ilokano dialect which literally states that anyone can give any amount of food items and those in need may get according to their necessity.

"At ito ang konsepto ng Community Pantry na nais nating ibahagi sa PSU. Una, makapagbigay ang may kakayahang magbigay. Ikalawa, makakuha ang tunay na may pangangailangan. At higit sa lahat, makakuha nang sapat lamang para naman may matira sa ibang nangangailangan din," said Dr. Ian D. Evangelista, HRMDO Director.

As a socially-responsive institution, the PSU administration led by Dr. Dexter Buted, believes that this simple initiative is more than just a social media trend but exemplifies the true Filipino 'Bayanihan Spirit.'

SPIRIT OF KINDNESS LIVES ON!

The PSU community is overjoyed by the generosity and support of patrons whose hearts are big enough to give. The Golden Lion Community Pantry still fills the table for the needy, thanks to the generosity of PSUnians, industry partners, and other humble donors.

DEPED-DOST SCHOLARS, FOR TRAINING ON WHOLE CHILD APPROACH

After 2 phases of training on various modes of instruction, PSU proceeded to the third phase of its ongoing program with the Department of Education, Department of Science and Technology and Philippine Normal University for newly-hired teachers under RA10612.

This phase focuses on the Whole Child Approach and 21st Century Skills in the SHS Curriculum commenced on February 5 to via Zoom with Dr. Johnson P. Sunga, Educational Supervisor of the Curriculum and Learning Management Division at the Department of Education-Region1 as the keynote speaker.

On the first day, Dr. Razeale Fernandez (Director for Curriculum and Instruction) and Dr. Amado Ramos (Chair of the Professional Education Department) discussed the overview of the Whole Child Approach and the 7E Lesson Model.

Day 2 is a breakout session of the students with the guidance of Prof. Celeste Mercado (Training Director) and Dr. Emmanuel Ross Tomas (Faculty member of FES Department) for Science category. On the other hand, Prof. Agnes Valdez (Faculty member of the Prof. Ed. Department) and Dr. Armando Junio (CED of Sta. Maria Campus) took the lead for the Math Category.

The last day covered a workshop and closing program facilitated by Dr. Liza Quimson (CED of Bayambang Campus) and Dr. Phillip Queroda (Director for ETEEAP)

Further, successful webinar was presided by moderators Dr. Luzviminda Ramos and Dr. Perla Delos Santos , thus, participated by fifty four teachers and former DOST scholars from Pangasinan and Cordillera Administrative Region.

A two-day Extension Activity of PSU-Infanta was held at Pita, Infanta, Pangasinan last May 26-27, 2021.

A Rapid Rural Appraisal or Participatory Rural Appraisal activity was done in Day 1 to determine the immediate needs of the community. The Extension Services Coordinator Dr. Dorothy Joy S. Noble together with her team conducted site visitation and interview to the locals of the following Sitios (Malanumlanum, Andoo, Dingin, and Kawayan-Adu).

A Seminar on the Establishment of Moringa Plantation at Adopted Barangay cum Community Pantry was done in Day 2. Sir Ronald R. Noma discussed about Organic Farming and Vermicomposting. Sir Domingo N. Mores then shared his experiences on Vermicomposting. Ma'am Wilma S. Noble also discussed about the Benefits of Moringa.

And just before the activity ends, the PSU-IC faculty and staff, and other donors shared their blessings through a Community Pantry.

PSU-OUS LAUNCHES OPLAN SAGIP MATA

PSU - Open University Systems kicks off its 25th Silver Founding Anniversary Celebration through an extension activity, the “Oplan Sagip Mata”, on March 31, 2021 at Region One Medical Center, Dagupan City.

The said activity was launched in partnership with R1MC and PSU-OUS Alumni Association. Present in the activity are Dr. Monina Monica Posadas – R1MC Department Head of the Ophthalmology and Eye Center, Dr. Ramon Bautista - PSU-OUS Alumni President, and PSU-OUS officials headed by Dr. Marie Claire Briones - Executive Director, and Dr. Phillip Queroda - Deputy Director for Academics, Research and Extension. Also present are the first batch of beneficiaries from PSU – Lingayen Campus who have undergone free eye check-up and consultation.

The activity was divided in series of scheduled phases to secure that the health and safety protocols are strictly implemented and will accommodate selected teaching and non-teaching personnel from nine campuses of PSU. — with [Region 1 Medical Center - Official](#).

PSU Cares: IP Community Pantry

"Sama-sama sa Pag-ahon at Pagsulong" as PSU's 42nd Founding Anniversary celebration theme, resonates a powerful message of 'togetherness' being the University's time-honored principle in all its efforts towards development.

PSU's Research, Extension, and Innovation (REI) unit extends its arms through **PSU Cares: Indigenous Peoples (IP) Community Pantry** at Sitio Mapita, Brgy. Laoag, Aguilan, Pangasinan on July 5, 2021.

PSU-AC goes Mangrove Rehabilitation and Planting at Bolinao

Faculty of PSU- Actively planted 500 Mangrove seedlings and participated in Seminar-Training on Mangrove Rehabilitation and Nursery Care at the Provincial Mangrove Information Center and Nursery in Arnedo, Bolinao on November 26, 2021.

Partnering with Tanggol Kalikasan, Inc. of the Provincial Government of Pangasinan thru Bolinao Field Station and the City Government of Dagupan thru the City Agriculture Office, PSU's strategic goal in sustainable social responsiveness has proactively executed with the faculty's volunteerism and service performance in mangrove planting even if it entailed swamping in mud and deadshells.

Amidst the distance and threat of the pandemic, but persuaded with a common goal for environmental protection and conservation, Ms. Analyn I. Diola, Faculty-Environmentalist, advocated this program, with the generous support of both the now and then Campus Executive Directors, Dr. Armando D. Junio and Dr. Valentin D. Calpo, to help the community especially those living in the

shorelines to prevent erosion and protect coastal communities against unwanted flooding, high winds and waves and even tsunamis. "It is basically saving lives of the people and restoring the health of the communities' lands and seas," said Diola.

In another event, selected faculty members with other community/ LGU partnerstook part in Seminar- Training on Mangrove Rehabilitation and Nursery Care.

PSU AC extends to the Community the Moringa Products

The research project entitled "101 Ways to Prepare Moringa Dishes" produced various ways to prepare dishes out of Moringa. The dishes that were produced during the conduct of the study are now being extended to the community in an Extension Project training the beneficiaries to prepare the granula bar, moringa cookies and moringa pancake.

The extension project was conducted at Mangrove Information Center and Nursery, Bolinao Field Office, Arnedo, Bolinao on November 25, 2021 where the team demonstrated how to cook the two dishes.

On November 28, 2021, the extension team went to San Vicente West Integrated School, Asingan, Pangasinan where they trained the participants in preparing the granula bars, moringa pancake and moringa cookies. Participants who attended the training are the parents, teachers, out-of-school youth of San Vicente West, Asingan, Pangasinan.

Kankanaey tribe of Sta. Maria, Umingan, Pangasinan was the final recipient of the extension project on 101 Ways to Prepare Moringa Dishes. The said activity was conducted on December 27, 2021. Marketing Seminar was also included in each of the three programs that was conducted.

Extensionists who participated in the project are Ms. Marry Ann Soberano, Ms. Analy Diola, Ms. Mhean Turingan, Mr. Genesis Padilla, Ms. Adoracion Gante, Engr. Eric Cunanan, Dr. Jeanlyn Domingo, Mr. Carlos Castillo, Jerry Aclera and John Melchor Alejo.

AC trains beneficiaries on LD, SPD & FC Making with Marketing Seminar

Pangasinan State University Asingan Campus through the Office of the Extension Coordinator and Office of the Research and Development Coordinator spearheaded the conduct of the training on Liquid Dishwashing (LD), Soap Powder Detergent (SPD) and Fabric Conditioner (FC) Making with Marketing seminar.

The said training was conducted on November 26, 2021 at Mangrove Information Center and Nursery, Bolinao Field Office, Arnedo, Bolinao, Pangasinan with twenty-five (25) participants. The participants were trained on the preparation of the products as well as on how to earn profit from the product.

Twenty (20) Kankanaey tribe participants of Sta. Maria Elementary School, Umingan, Pangasinan were also trained on the same training on December 27, 2021.

PSU representatives who trained the participants and facilitated the events are as follows, Marry Ann Soberano, Dr. Honelly Mae S. Cascolan, Analyn I. Diola, Mhean Turingan, Genesis Padilla, Adoracion Gante, Engr. Eric Cunanan, Dr. Jeanlyn Domingo, Carlos Castillo, Jerry Aclera and John Melchor Alejo.

Shooting Stars!

Just before the sun sets, Pangasinan State University launched the QS Stars Rating System, in line with the Christmas Lighting Ceremony at the PSU Legacy Building Façade on December 6, 2021.

The QS Star Rating System is a widely used rating system by institutions of higher learning worldwide. This signifies the excellence of performances in terms of Research, Teaching, Employability, Internationalization, Facilities, Online/Distance Learning, Innovation, Culture, Access, Engagement, and Specialist Criteria.

The Rating System denotes what institution has exemplary achievements whereby aids the students in choosing a university that will provide them the best education.

In line with that, the University President Dr. Dexter R. Buted started the launching by a chain breaking ceremony. This marks the beginning of a new and enhanced institution in reaching for the stars.

As PSU targets the four-star badge, Dr. Sally Jarin introduced the working committee who will be leading and administering in shooting for the stars. She also announced the turnover of the QS Star Badge same as through with the signing of the pledge of commitment headed by the University President and immediately followed by the Vice Presidents and Campus Executives.

It is time to do the impossible. Why be ordinary if PSU can be EXTRAORDINARY!

NEW ASEAN Engineer

Another pride of the Electrical Engineering department, for being conferred as ASEAN Engineer, ENGR. REGINO JOHN VALDEZ.

Boosting Education beyond borders

Amplifying globalization tied with quality education, PSU accorded with three foreign universities: Universitas Pendidikan Ganesha, Universitas Muhammadiyah Pontianak, and Pangkep State Polytechnic of Agriculture for academic cooperation and mutual interest through a virtual MOA/MOU signing ceremony.

By supporting educational professionals and activities between the institutions, the agreement aims to promote international understanding, scholarly collaboration, cultural interaction, and friendship.

The scope of the agreement includes faculty exchange, student exchange, visiting lecturers, joint research activities, participation in seminars, academic material exchange, and the provision of special short-term educational programs.

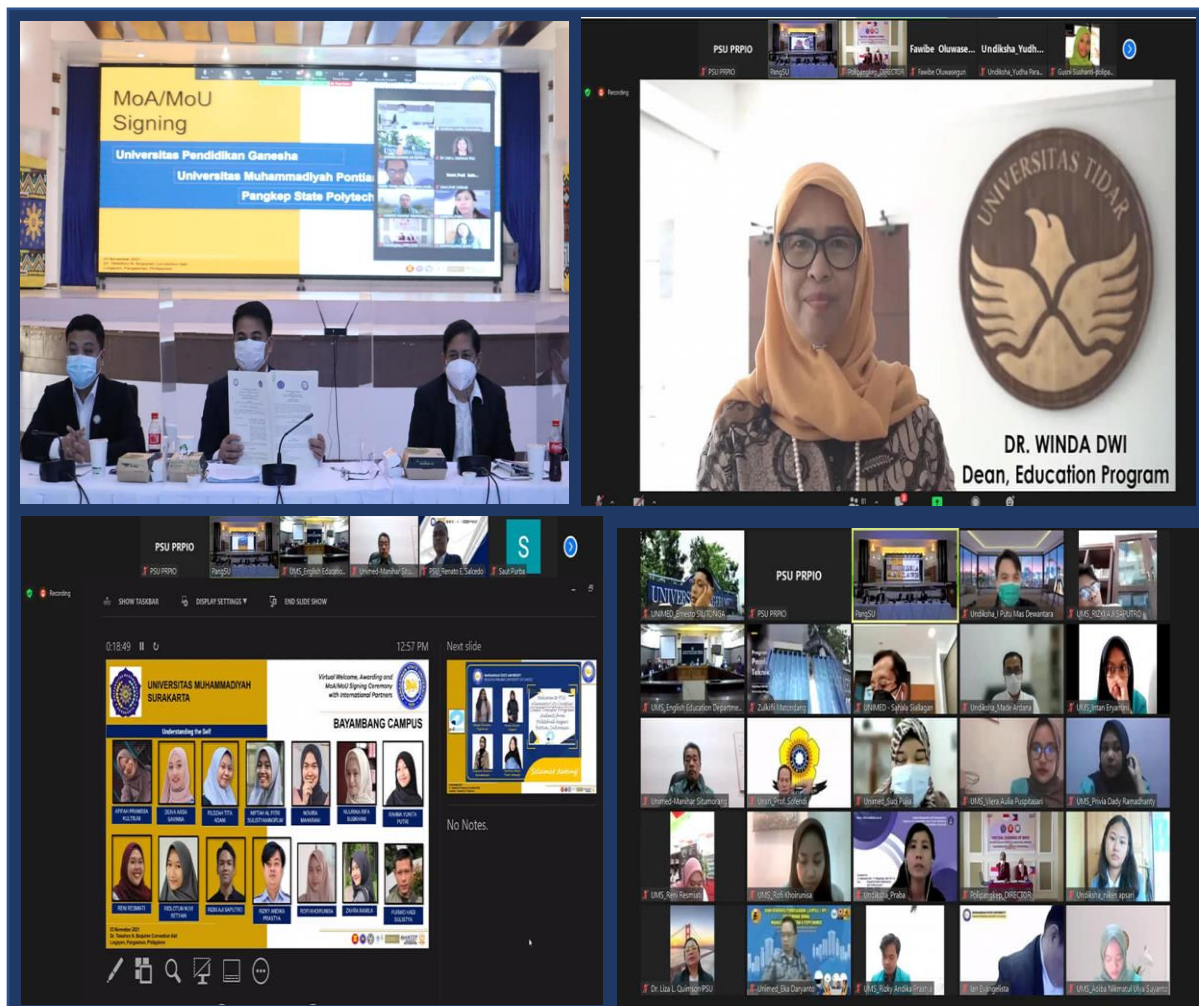

Last November 3, 2021, a virtual awarding ceremony and signing of Memorandum of Agreement (MOA), Memorandum of Understanding (MOU) between Pangasinan State University and the

aforementioned international partners was held via the Zoom platform, organized by the Linkages Office led by Dr. Sally Jarin.

Alaminos City Campus, Bayambang Campus, San Carlos City Campus, and the School of Advanced Studies are the primary campuses involved in the student and faculty exchange.

Dr. Dexter R. Buted, PSU's University President, and other university officials extended their warmest welcome to the new international students as they embark on a new journey in a different cultural setting.

Anent to the 'education for all' philosophy, Pangasinan State University has expanded its capabilities to several international institutions and agencies in recent years, paving the way for instructional, research, and management information expansion, as well as a stronger bond between them.

This allows students especially from the School of Advanced Studies (SAS) and Open University Systems (OUS) to pay their tuition and miscellaneous fees through Link.Biz.Portal.

The Link.Biz.Portal is an e-payment facility of the LBP that allows clients to pay for products and services via the internet from both the government and private institutions/ sectors.

Students can now pay through the internet from the following eligible client source accounts: LANDBANK ATM Savings Account; LANDBANK Visa Debit Cards; LANDBANK Current Account with ATM Access; BancNet-Member Banks ATM cards; International Credit/ Debit Prepaid Cards; and Globe GCash.

PSU PERKS: Free Access to VitalSource

Need resources for your assignments and research papers? Here's how you can get reliable information.

VitalSource is one of PSU's online bookshelves, containing a variety of e-books, journals, and other virtual reading materials. It is accessible to all PSUnian faculty members and students for free!

Vitalsource now Accessible to PSUnians

VitalSource is an online bookshelf program accessed by our University which contains eBooks for various courses. Within this software, students and faculty members can download, access, and read available course materials.

PSU continues to find innovative solutions to improve and strengthen the new normal in education. In this regard, watch the video and learn how you could access your vitalsource and e-books.

PSU ushers training of non-teaching manpower

Empowering the Pangasinan State University workforce, Human Resource Management and Development Office through the directorship of Dr. Ian Evangelista commenced with its university-wide On-site Training for Non-Teaching Personnel which started on April 19 (Monday) until May at the Dr. Telesforo N. Boquiren Convention Hall.

True to its core values in ensuring competence, commitment, and constant professional growth, HRMDO partnered with People Dynamics, Inc. (Profiles Asia Inc.) conducted the training to gain more objective and unbiased data in terms of its Leadership Assessment and Employee Engagement on top of its prevailing internal measures.

People Dynamics, Inc. is a renowned agency in providing first-rate human resources and organizational development consultancy services and surveys among other things, through its proficient trainer Mr. Argel Carlo Mallare, Learning & Development Supervisor.

The training focused on the following salient features: Effective Work Habits, Customer Service, and Resilience these were reflective of the results based on the initial survey conducted by HRMDO in December last year, which identified the points for improvement among the personnel. Employee-participants who physically attended the training are kept to a minimum to ensure that health protocols are adhered to and make every session more interactive as possible.

The six-day seminar runs from April 19, 20, 23, 26, 29, 30 cater to regular non-teaching personnel of all the nine (9) campuses respectively.

Originally conceived in 2019, the project only materialized in December 2020 due to the logistical challenges and health risks brought about by the onset of the pandemic.

Governed by the tenet '**We Learn As One**', PSU remains steadfast in providing inclusive education and skills development not only to students but also to its human resource.
